**CONSECRATION TO MY
IMMACULATE HEART**

Revelations given to a soul whom Jesus called Agustin del Divino Corazon (Augustine of the Divine Heart). Messenger of the Sacred United and TrespasSED Hearts of Jesus and of Mary

INTRODUCTION

“The Church will pass through a horrible crisis.”

The Most Holy Virgin Mary, in La Salette (France) - 1846

“Priests against priests, Bishops against Bishops, Cardinals against Cardinals”

The Virgin told Don Gobbi. She also said it in Garabandal. And reconfirmed it in Akita, Japan 1988 – (the last apparition accepted by the Church, after Fatima, by the then Cardinal Ratzinger, Pope Emeritus Benedict XVI).

I wrote down for you these epigraphs of the Holy Mother my dear Augustin, so you won't anguish or get scared because you are attacked from inside the very Church or don't believe that the messages are from Heaven. It was predicted, announced and reconfirmed. This horrible crisis in the Church is the crisis of the world and the postmodern age; the seeds that Satan planted since 1948 and which affect and infect everything, the morale, the customs, the arts and even the theology, planting confusion, division, and fights –the very fruits of the very demon (James 3)- and announced repeatedly by the Blessed Augustine Anne Katherine Emmerich, the Virgin of La Salette, and Saint Bridget, when they coincided that Satan and all the demons would be released 50 or 60 years before the year 2000.

Why are you surprised, if we have seen the historical fulfillment of the prophecy, which is evident, patent, and ascertained? Alcohol, drugs, sects, false women's liberation, apostasy, moral crisis, eco-catastrophes, and a Church in a horrible crisis, as our Holy Mother warned us.

Don't be scandalized because they attack or marginalize you. I have suffered that during 30 years. If Jeremy, that great prophet lived it when he menaced Israel with the exile when they rebelled against the Alliance. They used to tell him: “Don't speak to us about disasters, but of good things”. Nevertheless the prophet did not back down, and the prophecy was fully fulfilled. “All other senses of Sacred Scripture are based on the literal sense.”⁸³CCC (116)

Today with God's speech of love, you are asked the same question to Jeremy, nevertheless, Jesus announced the destruction of Jerusalem, and it was fulfilled. The mercy which is poured over those who fear the Lord. The Virgin said it in the Magnificat (Lk 1:50).

If you don't obey, things will go bad for you, the Bible repeats unceasingly and Jesus himself announced to us the punishment over the earth, because of its iniquity and apostasy (Mt 24, Lk 17 & 21, Mk 13). We cannot mutilate the Bible and take a text out of context. This is a theological and perverse accommodation. Chesterton said: “All Theology that comes from the Bible, is bad Theology.” Let's look at

an example. Saint Peter in his Second Letter (II Peter 3:12-13), talks to us of a rain of fire. The Church accepts and believes it. In the CCC (677) –safe doctrine according to Holy John Paul II-, talking about the end of times, presents us the same Biblical quote.

And as if it wasn't enough, in the last recognized apparition (Akita) after Fatima, which Cardinal Ratzinger called at that moment: Fatima of the Orient, the Virgin talks of the final punishment inflicted by the Father of the world, with a rain of fire, a deluge of fire in which "the living will envy the dead". What amazes me is that Preachers and Theologians, forget the Gospel. Jesus also spoke of the rain of fire (Lk 17:29-30). The Lord's speech emphasized: "In the same way, it will happen on the day in which the Son of Man manifests himself", meaning, with a rain of fire and sulphur, and in a similar time of wickedness and apostasy, in which no one was aware of anything, or heeded the warnings. Jesus said: "It will be so".

O God, how painful is to see the world rapidly walking to its own destruction. The growth of iniquity, the diffusion of errors, are such evident signs of that Second Coming that we profess in the Liturgy, but that many deny it or do not aspire.

And it is here where God comes in the final stage and chooses small ignorant, the weak, and speaks. That is his code. Saint Paul said it. He chooses the weak and confuses the strong and the proud. God is infinite and humble, and He sends His warning to the humble. To Agustin de mi Divino Corazon, he dictates 12 books, and this one is the last one. He won't speak any more. How we refuse to hear our Holy Mother, then She speaks to Agustin. She had promised a light for the world from Colombia. And there it is. Twelve books by locutions (a voice without a voice), with prayers, meditations, and prophecies.

A summary of fifty years of loving warnings; there is spoken everything of everything that was said. It repeats again. False Church, impostor, false Pope, Peter's seat empty, closeness of the Second Coming, false doctrines, crisis, increase of calamities, economic collapse, civil war in the USA, and many other things.

In thirty-three days, day after day She dictates the themes which she gave in fifty years. Colombia, light of the world, said the mystic Martha Robin, and it happens in Agustin. It does not have any Biblical errors, it does not contradict the prophecies or the apparitions. Thanks to God, Agustin did not know those themes. That offers credibility. God's love is so big that He speaks from 1846 till today. He has not tired, but He is going to finish, as Saint Faustina Kowalska said, when the time of purification ends, the time of Justice will begin.

I revised day-by-day the dictated messages and it is a precise, concise synthesis of multiple messages that I have read and studied: La Salette, Fatima, Marienfried, Heed, Garabandal, and more than 100

messages of the holy mystics: Anne Katherine, Maria Taigi, Don Bosco, Juan Eudes, Saint Pio. And many messages that God has given to warn the world, appear there summarized and in order.

I remembered Amos: Surely the Lord GOD does nothing, without revealing his secret to his servants the prophets (Amos 3:7). I am surprised that Agustin did not read, or knew these prophecies which the Lord himself gives Biblical coincidences. The coincidence is amazing. There –in this Book- appear the messages of all the accepted by the Church and sometimes he quotes Biblical quotes that confirm it, since no message can contradict or exceed the Bible.

The problem of the actual world is the trivialization of the Faith, the rationalization, and “psychologization” of the Theology, which tries to explain the supernatural. We believe in God but we do not believe God. Everything will happen as you have described. I have revised it, confronted it against the Word of God, and against the known apparitions and the revelations of the saints. The Holy Spirit gave you a great summary of everything which we have not denied accepting.

That succession of tsunamis, earthquakes, fires, apostasy, arm race, etc. is coming, what the psychologists called the denial. We don’t want to see and therefore understand, the signs of the times.

John Baptist ended beheaded and Jesus crucified. It was not his end, but the beginning. The smoke of Satan entered in the temple of God, said Paul VI and I think it has contaminated almost everything.

If it consoles you, Pious XI, Pious XII, and the last pontiffs had the light of the Spirit and understood. Pious XII wrote: “There are many signs that indicate these being one of the most decisive times of humanity... It’s time of urgency, of most urgent action. The time has come in which there will be no more time. The good ones to do good and the bad ones to do evil. The signs now are so many of your next coming, Lord...”. And Holy John Paul II foresaw that battle intense. “I don’t think –he said in an audience- that a great amount of the secular Christian community time was short and that the society of the world realized that we are in this moment facing the final confrontation between the Church, the anti-Church, and the Antichrist. This confrontation is part of the will of the Divine Providence, from there it is in God’s plans. It is a challenge that the Church must face courageously”.

We, the Catholic Christians, cannot ignore the Bible; we cannot belong to the group of fools that with one phrase: “God is love” mutilate the justice of God and we erase more than five thousand verses of the Word of God. God is Holy, is good, but gives to each one according to his works, the Word insists, and at the end takes away all iniquity from the planet and restarts His Perfect Plan: and beautiful and holy nation (Isaiah 65; Revelation 21) and it will the peace, the justice, and the love among all with only one flock and one shepherd.

So then, in these twelve books dictated to Agustin, we will see the schism that is nearing, the false prophet –or pontiff-, la false church, but at the end Alleluia! The New Jerusalem, the New Heavens and the New Earth, a happy world (Isaiah 65). The Lord was right when he asked us to be happy (the believers), because when seeing all these confusing signs in a world of iniquity, we should be glad, since our liberation was close (Lk 21), a new creation, and a happy world.

I encourage you... keep on going! God created man in his image and likeness, and the man of today has created has created his own god to his image and likeness, and invented a “light” faith, in which everything is permitted, tempting and defying God; but the cup is full, as the Most Holy Virgin often says. And we have arrived to the purification, and soon to the pre-tribulation announced in Daniel 12, and repeated by the Lord, and at the end of the day of justice and later his plan of Love, when he restores everything and raise up that small rest who has remained faithful, and that new old, and those new heavens. Alleluia!

V. FINAL PRAYER

Most Holy Virgin Mary, Teacher of the Apostles of the Last Times, prepare me with your lessons of love to the Second Coming of your Son Jesus. Enliven my senses so I will keep in my heart your teachings; teachings that are a safe doctrine that delve me into Heaven. Wake up in me: the insatiable zeal for the salvation of my soul, detachment from the world, and desires of sanctity. Instruct me in the science of the cross so I can accept with good pleasure the suffering, and make myself heir of one of the chambers of your Immaculate Heart. Cover all my being with your rays of light so you can be my Teacher and I, your disciple; disciple that imitates your adorable virtues to be seen with good eyes before your Son. Strengthen me in this time of tribulation; cut my heart with your two-edge sword and wound it with love, so your presence will always accompany me until the day of the return of Our Lord Jesus Christ.

Celestial Mother, Teacher of the Apostles of the Last Times, preserve our Church before all apostasy, heresy, and schism. Conserve us faithful to the Tradition of the Church and instruct us with your Divine Wisdom so the light of the Spirit increases our faith, shows us the way of salvation, and leads our hearts to sanctity.

Celestial Mother, Teacher of the Apostles of the Last Times, keep the holy rest in your Immaculate Heart until the day of the Second Coming of your Most Beloved Son Jesus. Amen.

VI. CONSECRATION TO MOST HOLY IMMACULATE MARY

St. Louis Marie de Montfort

Immaculate Mary, my sweet Sovereign, how glad I am to be your slave of love. I entrust and consecrate my body and my soul, with all my interior and exterior goods, natural and supernatural, past, present, and future.

I also want on this day to win as many indulgences as I can, and I deliver them to you. Mary, my Mother, I renounce my own will, my sins, my dispositions, and intentions. I desire what you desire: I throw myself at your Heart embraced with Divine Love, divine mold in which I must form myself; in which I hide and get lost to pray, work, and suffer, always for you, with you, and in you and for you, to the greater glory of the Sacred Heart of Jesus, your Divine Son. Amen.

MEDITATIONS FOR THE 33 DAYS

DAY 1. I will show you the way

January 3, 2010 (1:10 PM)

My Children: It is Mary, Teacher of the Apostle of the Last Times who is calling you sweetly with her Mother's voice. Mother that wants to lull you in her Maternal bosom like little children that do not know how to fall asleep if they are not surrounded by arms. Mother that desires to nourish you with her spiritual milk so you will grow robust in the faith.

Mother that wants to show you the way that leads you to Heaven. Mother who wants to keep you, protect you in one of the Chambers of her Immaculate Heart. Mother who wants to instruct you in Divine Wisdom so you will not fall into error, in the confusion because flamboyant and strange philosophies are in overabundance which will make you heretics, anathemas. Mother who wants to wrap you under the folds of her Sacred Mantle and warm you in the flame of her Holy Love.

It is Mary, Teacher of the Apostles of the Last Times, who calls you to Consecrate yourselves to my Immaculate Heart.

Consecration that will cover you with the light of the Holy Spirit so you will know goodness in the deepest.

Consecration which will lead you to despise the enchantments and the fallacies of the world.

Consecration that will make you feel repugnance and horror of sin.

Consecration that will mystically interchange our hearts.

Consecration that will enroll you as private soldiers of the Victorious Army of the Triumphant Hearts.

Consecration that will mark you as elected of God.

Consecration which will advance the triumph of my Immaculate Heart and the kingdom of the Sacred Heart of my Son Jesus.

Consecration that will shorten, even more, the time for you to see a new heaven and a new earth.

Consecration that will make you participate of the Remnant Church, the faithful rest.

Consecration that will light up the flame of hope in your heart so you can wait with yearning, without fears for the Second Coming of Jesus.

Consecration that will illuminate your opaque understanding, leading you to understand the signs and the manifestations of the end of times.

Consecration that will restore our Church, because Satan's smoke has penetrated in it.

Consecration that will make you warriors, intrepid, prepared and trained soldiers for the battleground.

Consecration that will make you feel desires of giving yourself completely to me, in a perennial manner, to dispose of you according to God's will.

Consecration that will map out for you the direct way that leads you to Jesus.

Consecration which is necessary for the salvation of humanity; humanity which is sick, humanity which has moved away from God and from the Church.

My Children: the hour of the battle has come.

There are two armies who fight against each other: The army of the red dragon and the black beast, army led by Satan; army that want to lead humanity to the denial of God; army that wants to place Lucifer in the place of God so he can be adored; army who is taking a great deal of souls to the abysses of hell; army that works secretly within the very Church to destroy it, to desecrate the sacred, to introduce error in it; error that leads to apostasy and loss of faith.

The other Army is led by Me and Saint Michael Archangel, Prince of the Heavenly Hosts by appointment of the Eternal Father.

I am the Captain of this Army, which will go to battle with the powerful weapon of the Holy Rosary. Weapon which will weaken and chain Satan in this end of times. Weapon which will perfume with scent of sanctity the private soldiers of the Victorious Army; weapon which will

give you strength so you won't let yourself be unnerved, or terrorized by the adversary; weapon which will make you invincible in front of the attacks of the enemy. Army that its constant battle will triumph over evil. Army which will see the women dressed with the sun with a crown of twelve stars, standing over the moon, descend; woman exalted who will crush with her heel the head of the snake. Army who will be covered with God's armor and will not be overcome or defeated.

Beloved Little Children: heed my last call; don't despise this treasure from Heaven that today I have deposited in your hands. Run hurriedly, because time is running out. Discern the events and do WHAT JESUS TELLS YOU, because very soon He will judge the entire world with justice and with mercy; very soon He will be recognized as the King of kings and Lord of lords.

The Virtue of Faith

"My son, if you come forward to serve the Lord, prepare yourself for temptation. Set your heart right and be steadfast, and do not be hasty in time of calamity." (Sirach 2:1-2)

To walk in the Lord is to walk through ways between roses and thorns; thorns who hurt our heart because, still, it still costs you to die the old man, you still need to let go of yourselves, and throw yourselves at your hands, hands that will embrace you so you won't fall into the vacuum. You need to strengthen your faith, because you say you believe in God but you are lacking abandonment to the Mysteries of the Divine Providence, since you dare to question the designs of God; you dare to suggest to Him new routes, new ways.

In faith accept the Announcement that the Angel Gabriel made to me.

In faith I did not stop to think in what people would say of me.

In faith I accepted the Mystery of Co-Redemption that began when I said YES, when I accepted to be the Mother of the Redeemer.

In faith I did not feel scared in embracing the cross of suffering, because my Heart knew that God would take care of me.

In faith I believed that Joseph would accept to be the custodian and protector of the United Hearts; Hearts that would always remain together, because God graced me of special gifts that allowed me to feel his own emotions, his own frame of mind.

In faith my Son grew in my womb and I adored him as my God.

In faith we fled to Egypt in the darkness of the night, but assisted by the Holy Angels who guided us.

In faith the Son of God was born, in such poverty that crushed my Heart, but I trusted in his

Divine Will, because the Verb made flesh had been sent to me so I would take care of him and protect him.

In faith the Child Jesus grew in stature and in Wisdom and everything that happened to us I kept it in my Heart.

In faith I advocated before My Son in the Wedding at Cana.

In faith I accompanied him spiritually in his trips, in his missions, because I knew of his miracles, of his prodigious preaching's that produced marvelous effects in all the souls.

In faith I was with My Son in the sorrowful trance of his Passion. My Heart suffered and tore of sorrow seeing how he was being treated.

In faith I believed in his Resurrection, in his victorious triumph against death.

In faith, little children, I did not ask myself why God Father chose a young peasant woman, and simple village girl to be the Mother of the Savior

I accepted and walked blind, sure of never falling, because our ways are not the ways of the Lord.

I accepted several, diverse hardships with the hope of the help that came from heaven.

Do not let your faith tumble from one side to the other and fall like leaves from the trees.

Accept patiently everything that God sends you, that He disposes for the good of all who love him.

Let your faith grow like the poplar and the cypress, don't pretend to reason his mysteries.

Accept them gratefully and keep them in your heart.

Faith has been given to you as a gift from God, walk with entirety, with your head on high, and with your heart open, because according to your faith, so will be the works.

III. Chaplet of Protection (Page 8)

Day 2: I Prepare You for The Triumph

January 3, 2010 (3:10pm)

My Children: Satan wants to destruct you, wants to snatch you abruptly from the hands of God; you are living terrible times of confusion: times in which the bad is called good and the good, bad; the demons have been let loose from the depths of hell to trick, seduce.

Many are the souls that have fallen in his lies.

Many are the souls who have broken their friendship with God.

Many are the souls who have lost the wonder of the Mysteries of Heaven.

Many are the souls who accommodate the mandates of the Lord according with their petty

interests.

Many are the souls who despise the manifestations of the Holy Spirit. Holy Spirit which is encapsulated, trapped, prevented from acting.

Many are the souls who will be surprised by Jesus in his Second Coming.

Many are the souls who have shut their ears and their heart to the Divine laments of the end of times; laments which call humanity to conversion.

Laments which announce to you signs and signals which will precede you in this final time.

Laments which warn you of the great chastisement that will overcome to the entire world.

Laments which call you to reparation, mortification, to penitence.

Laments which alert you of a rain of fire that will purify the earth; earth that will have to retune to the first order of creation.

Laments that have come out from Heaven to see if the entire humanity turns its eyes to the Lord.

My very dear Children: Mary, Teacher of the Apostles of the Last Times, invites you to her Maternal school so you will receive in it her lessons of Holy Love, so you will make yourselves advanced students in sanctity, so you will create an awareness of the urgency of the consecration to my Immaculate Heart, because this is a celestial aid which will form in you an armor of protection; armor which will prevent that Satan harms you. Armor which will illuminate your should of a supernatural light, light that will blind the perfidious devil.

Mary, Teacher of the Apostles of the Last Times, will prepare you for the triumph of my Immaculate Heart. Triumph that will come accompanied of three signs:

The world will turn Eucharistic because the Eucharist is pure air that oxygenates the Church.

The Eucharist is the maxim of the manifestations of the presence of Jesus on earth.

The Eucharist makes you alike to the Holy Angels.

The Eucharist is perdurable nourishment that unites you to the Lord.

The Eucharist is evidence of Jesus, real in the Consecrated Host.

The Eucharist gives you strength to resist the ill-fated days that will overcome humanity.

The Eucharist takes away your fears, giving you courage to withstand the time you are living: time of the tribulation and of the justice.

The Eucharist give you spirit, strength to come out gracefully in the three and a half years of hard test (in which the usurper will take the throne that does not correspond to him, Peter's throne that very soon is going to be empty).

Eucharist that will be suspended. "Half the week he will abolish sacrifice and oblation; On the

temple wing shall be the horrible abomination until the ruin that is decreed is poured out upon the horror." (Daniel 9:27)

All will love me, the new world will recognize me as the perfect mold for the Most High.

The new world will welcome me as the Savior's Mother and Mother of all men. The new world will feel overtaken by my presence. The new world will accept that through me salvation came to them. The new world will let itself be guided by my teachings. The new world will understand that I am the safe way to encounter with Jesus. The new world will grow in sanctity at a vertiginous speed because they will imitate my virtues. The new world will know that Mary, Teacher of the Apostles of the Last Times congregated the Remnant Church, the faithful rest in her Immaculate Heart through the Consecration.

You will live in the style of the first Christian communities;

Christian communities that: shared everything, offered everything to all, exempt from selfishness, envies, and rivalries;

prayerful communities whose center was God;

communities assisted by the direct light of the Holy Spirit;

communities that have as an end to give glory to the Holy Name of the Lord;

renovated communities, totally transformed by the prodigious hands of the Maker.

Virtue of Hope

I Plant the Rose of Hope, rose that will be a fertilizer and nourishment of excellent quality to make that diverse and fine species of roses germinate. This rose will scent the garden of your hearts, making that from your hearts you exhale sighs of love for Jesus.

The Rose of Hope that I have planted in your hearts is dressed of vivid colors. Colors that make your spirit happy; colors which give loveliness to your soul; colors which make you colorful to heaven, but wilted to the world.

Don't let the Rose of Hope die in your garden, because if she dies, you will die along with it. Cultivate that virtue with prayer, prayer which will penetrate in its root to be converted in spiritual salve which will give life to that virtue.

Don't let the Rose of Hope be pulled from your heart because if she is missing you will need air; you will lack oxygen; you will lack water; you will lack the seed of life; you will lack the seed of eternity; you will lack the seed of transcendence; you will lack the seed of joyfulness; you will lack the seed of the voice of consolation, to give hope to pricked and burdened hearts.

Day 3. The Church Faces a Great Test

January 3, 2010 (5:00pm)

My Children: the Church, my favorite child, faces a great test. The battle that I have with the adversary, still, has not ended.

The Church is going through a horrible crisis.

The Church is in the time of purification: it will be tried in the fire like gold and silver so it can reach its maximum splendor. Regardless of how many violent storms and strong winds that blow over her: she will never be destroyed; it will always prevail.

The Church, my favorite child, is being shaken by Satan: confusion has diffused in its interior; mysteries which are faith dogmas want to be analyzed through the human reason; the proposal of salvation raised by Jesus in his Gospel has been distorted; the modernism undervalues what is truly sacred; wrong interpretations of the Holy Scriptures lead the faithful and even the priests themselves to a spiritual and religious relaxation; error swarms through everywhere; error that tints of darkness what is true; error that darkens the intelligence and the thought of many of my children; error which leads to skepticism and incredibility of the Sacred, of the Divine.

My beloved Children: I call you to consecrate yourselves to my Immaculate Heart so you can battle Satan with the Word and the testimony, because the black smoke has entered in the Church; fight, as courageous soldiers of the Victorious Army of the Triumphant Hearts, so the truth always comes out to the light, so the false church be promptly weakened; and combat it so my children are not taken out of the truth, so they will remain faithful to the Sound Doctrine and the tradition.

The division which results in the confrontation of cardinals against cardinals, bishops against bishops, priests against priests, and faithful against faithful. Division which leads to the disobedience of the Holy Father, successor of Christ on earth, successor who call his shepherds to fulfill with the Teachings and with the Tradition, but some of them do exactly the opposite, walk by ways different than the Pope's.

That is why I call you, faithful rest of the Church, to offer sacrifices and prayer because Jesus is nailed to the cross again.

Work silently for unity and for the obedience to the infallible authority of the Pope.

My Children: consecrating yourselves to my Immaculate Heart, the Church will pass from this horrible purification to splendor.

Consecrating yourselves to my Immaculate Heart, you heal the wound of the Sacred Heart of

Jesus, fragmented, and divided.

Indiscipline is a destructive factor for the Church in this end of times.

Indiscipline that leads my favorite sons to want to govern themselves on their own;

indiscipline that leads to moral deterioration, because some of my priests do not fully fulfill the evangelical advice;

indiscipline who leads them to neglect prayer, to leave what is really important for the Kingdom of Heaven;

indiscipline which brings with it the liability of hedonism and materialism;

indiscipline which makes my favorite sons lost sheep; sheep absent from their Shepherd.

My Children: consecrate yourselves to my Immaculate Heart that I will dress you with the mantle of a docile spirit; I will snatch you away from the world making you sensitive to the Divine Mysteries.

The persecution is another painful sign of the purification announced by me in Fatima; painful sign which has led some of my favorite sons to work for the adversary; silent work which is infiltrating currents of masonry and of the new era inside the Church because they have as the maximum end in mind its destruction.

The persecution will lead many of my sons to the Gethsemane; sons that will feel abandoned, relegated; sons, that for being of the remnant Church, will have to walk through the street of bitterness and spend many hours in the mountain of Calvary, until the summit moment has come of the purification.

My Children: consecrate yourselves to my Immaculate Heart; I will be your refuge in your trials; I will lighten, with my love, the weight of your cross. You will feel blissful when you are persecuted because yours is the Kingdom of Heaven; I will show you traps that the enemy sets in your way so you won't stumble in them; you will come out harmless because you will be soldiers of my Victorious Army and Saint Michael will cover you with his mantle and will defend you with his sword.

Virtue of Charity

I plant, in your garden, the Rose of Charity because where there is charity, there is love; because where there is charity is God. Scent this rose of great value for Heaven, being compassionate of the suffering.

Cultivate this rose of great value for Heaven being support for the weakest.

Cultivate this rose of great value for Heaven, getting rid of your material goods to supply the needs of those who lack means; means that you, little flowers of my garden, can offer in the

measure of your generosity and of the goods that God has given you here on earth.

III. Chaplet of Protection (Page 8)

Day 4. The Apostles of the Last Times

January 3, 2010 (7:00pm)

My Children: be docile to my calling, respond quickly; tomorrow may be too late for you because very soon the great miracle will take place and the sign will appear in the sky; that's why I want all of you in the Victorious Army of the Triumphant Hearts.

Army who awaits in peace the Second Coming of Jesus.

Army composed of simple souls, open souls to the action of the Holy Spirit.

Army that attends my messages, my teachings because I am Teacher of the Apostles of the Last Times.

Apostles who consecrate themselves entirely to my service as subjects, as slaves of My Holy Love, offering themselves without reserve.

Apostles who will take in their hearts, the gold of love; in the spirit, the incense of prayer, and in the body, the myrrh of mortification.

Apostles who will live in fullness the evangelical liberty, completely detached from the world, but completely attached to God.

Apostles who will be true disciples of the Lord, following his examples of: poverty, humility, charity.

Apostles who will have the silver wings of a dove and will go where the Holy Spirit calls you.

Apostles who consume themselves as long as they can give glory to God and of contributing in the salvation of the souls.

Apostles full of the Holy Spirit who will battle with the Word of God: two-edged sword which will destroy Satan's emissaries, sword that will bring down the proud; sword that will annihilate sin; sword which will give light to the spiritually blind; sword that will cut with the undergrowth of the world; sword that will open gaps to enter in Heaven.

Apostles who will carry on their shoulders the bloodstained banner of the cross.

Apostles who will accept the suffering with love.

Apostles who will embrace the cross of the Martyr of Golgotha and will walk through narrow and stony paths, paths that lead to a personal encounter with Jesus.

Apostles who will live the Gospel to perfection and not according to the guidelines of the world.

Apostles who will hold in their right hand the crucifix as a sign of surrender to a crucified Jesus.

Apostles who will hold in their left hand the crown of roses of the Holy Rosary: A sign that represents their love and unconditional surrender to me, who am the Teacher who educates you in the science of Heaven and the Mother that nears you to Jesus.

Apostles who live the consecration to my Immaculate Heart living in Mary, with Mary, for Mary.

Apostles who welcome me with love in their hearts.

My Children: as apostles of the last times, you are called to preach the Gospel with courage, to lose all human respect, to show sin in its full dimension.

As apostles of the last times, you are called to reject all thought that goes against the Sound Doctrine; thought which makes you anathema, heretics.

As apostles of the last times, you are called to be light, to illuminate with your life the coherence of the densest, darkest environments.

As apostles of the last times, you are called to belong to the Remnant Church. A Church anchored in Tradition. Church assisted and directed by the Holy Spirit. Church that lives in a continuous Pentecost.

As apostles of the last times, you are called to prepare the way of the Lord for his Second Coming; coming which is very close because otherwise many souls will be lost.

As apostles of the last times, you are called to sanctity, to incarnate the Gospel and to be like Jesus, imitating Him in his adorable virtues.

As apostles of the last times, you are called to transfigure yourselves in the Tabor of the Tabernacles.

Tabernacles in which you will find yourself face-to-face with the Lord.

Tabernacles in which you will find me adoring God present in the Holy Host and repairing for all the sins of humanity.

As apostles of the last times, you are called to identify the false church from the true church; to remain faithful to the teachings of Jesus without letting yourselves be confused and shaken by the strong winds and false doctrines.

As apostles of the last times, you are called to seek refuge in my Immaculate Heart, secure refuge for this time of the tribulation.

Virtue of Humility

Preserve humility in your heart.

Be the smallest among the small, because this virtue will give beauty to your soul.

Harvest it carefully so you will be as a fine and delicate orchid that goes unnoticed among the

different species of a lush garden.

I put the example of Jesus, Man-God who came to the world to serve and not to be served; the beauty of his soul was brilliant like a star; the glow of His eyes, as two flashing stars that distilled flashes in the darkness.

His Divine Wisdom could never be compared with the science of the great intellectuals; his life was a prodigy of love because at every step, He left the scent of his miracles, of his exquisiteness.

Crowds would follow him because they found in Him, a different man, a man skilled in the word, word that penetrated in each heart to strip them of their false gods, to make them look in their interior and discover their sin, their misery, their nothingness.

Being the King of the highest lineage, He suffered the exodus, was born in the outdoors, His crib with straw that would protect him a little bit from the nights cold.

His scepter was the Cross; cross that would redeem the world; his crown was a rough crown of thorns placed as mockery, as a joke.

In the triumphant entrance into Jerusalem, He arrived on top of a donkey, to show that richness doesn't go with the children of God.

He shared with tax collectors, Pharisees, sinners, lepers, lame, blind, and disabled. Never looked for the bourgeois, the upper class because his Sacred Heart was always adorned with the gold of humility.

Deck yourselves with this beautiful virtue; virtue which is appraised as gold and silver are.

This most precious stone lifts you in spiritual value. Because to make yourselves bigger, you must make yourselves smaller.

Always look for the last seats, never pretend to stand out and be recognized; pass undetected as the soft wind which blows over your face.

As Mother of the Savior, God adorned Me with this beautiful virtue; virtue which was to God's liking, because the incarnate Verb would take possession of Me, would take my littleness to glorify the greatness of the humanized God.

III. Chaplet of Protection (Page 8)

Day 5. If You Consecrate Yourself, You Will Resist The Hard Test

January 4, 2010 (6:25 a.m.)

Beloved Children: come to me, I want to embrace you; I want to cover you under the folds of My Sacred Mantle.

The Victorious Army of the Triumphant Hearts is open for all of you, you only need to say yes to me and immediately, I will give you enough celestial ammunition so you will arm yourselves with God's armor and start the battle against the adversary. You shall not be afraid to confront him. I, who am the Captain of this Army, will entrench you in my Immaculate Heart; I will warm you with the flame of my Holy Love, and I will protect you so the enemy will not harm you.

Mary, Teacher of the Apostles of the Last Times, wants to prepare you because the Second Coming of my Son is very near more each day. The Book of Revelation is in the middle of the way; it will be fulfilled literally, even if some theologians affirm the contrary; false prophets who deform the word and diminish the importance of my messages.

Mary, Teacher of the Apostles of the Last Times, incorporates you in the ranks of the Victorious Army of the Triumphant Hearts, because the labor pains have started, because the wicked man will soon appear taking the place that does not correspond to him: he will be of Jewish descent so as to proclaim himself king of the Jews, the messiah, the expected god; wicked man who will appear virtuous, benevolent; wicked man who will know how to hide and cover the cruelty and demonic venom hiding inside of him; wicked man who will proclaim himself as the savior of humanity; wicked man who will persecute all of those who do not submit themselves to his tyrannical government; wicked man who will pretend to make himself be adored as God (2 Thessalonians 2); wicked man who will want to destroy the true religion; wicked man who will blaspheme against all the Divine and the Sacred; wicked man, apparently philanthropic, because he will lead the world to a false peace; will seduce with his lies a great part of humanity; wicked man who will cruelly persecute the prophets, to finish them off; and once he has removed them from his path, he will replace them with false visionaries who will predict prosperity and peace, in a government that pretends to unite all the religions into one; wicked man, dressed with a false religiosity, who will persecute all who profess the Christian faith; wicked man who will reign during 42 months, taking the world to the most complete desolation; wicked man, who will have under his orders a false pope; false pope who will show dogmas as symbols, legends, myths; false pope that will promulgate new laws that will attempt against the morale and the salvation of the souls.

Mary, Teacher of the Apostles of the Last Times, calls you to consecrate yourselves to my Immaculate Heart, so you can resist the hard test that is getting closer to you, so you will reject outright the false church; church who will be more concerned in obtaining earthly goods; church that will seek prestige, power; church that will be at the service of the great landowners, the powerful.

Mary, Teacher of the Apostles of the Last Times, calls you to consecrate to my Immaculate Heart; consecration which will dress you with the light of the Holy Spirit so you won't be deceived by the pseudo-prophet, because he will wonders, miracles, favoring the Antichrist, the outlaw.

Mary, Teacher of the Apostles of the Last Times, calls you to consecrate to my Immaculate Heart because soon you will enter in the lie of a false religion and Christianity. I will keep you in my Heart; I will give you the strengths that you will need so you won't be deceived, seduced.

My Children: have no fear, but the apostasy must come; the martyrs of the last times will have to confront directly with Satan; martyrs who will only be recognized in Heaven because on earth, they will pass as rebels, impostors.

Only, the faithful rest, will be saved; heroic souls that knew how to overcome strong storms; souls who took refuge in the desert; souls who trusted in the promises of the Lord; souls who will receive spiritual relief, before the arrival of Enoch and Elijah: two great prophets who will work wonders; two great prophets who will speak with voice of thunder; two great prophets who will be murdered by the Antichrist; but after three days, God will resurrect them.

Dear Children: I will always accompany you, console you, and strengthen you so you will come out victorious, in this period of test of three and a half years.

I love and bless you. + Amen.

Virtue of Purity

"Little Children of My Immaculate Heart: I nourish you with solid food to strengthen you spiritually in such way that you will walk with zest as pilgrims to the celestial homeland. A beloved serving, that your heart remains pure like a mirror. Mirror in which you will see yourselves neatly like in the clarity of day, in which you your reflection is in a transparent way as contemplating yourselves in a spring of limpid waters.

Conserve the purity in your hearts.

Walk with care being always mindful of not staining it.

Keep in mind that it must remain white as snow, because the purest nard of celestial perfume will take seat in your heart; heart that must be clean and radiant for its arrival.

Strive so your heart be crystalline and pure like the water; drain it with prayer, with the reception of the Sacraments.

That wickedness be destroyed by the absolute control of your senses; senses liberated of lust and all and every bit of darkness because through your sacrifices, you will receive a new look. Look which makes you see the world differently.

Look which makes you discover the beauty of life.

Purity is a virtue that makes you as Angels, because your heart receives a supernatural light which is imperceptible for men on earth, but visible for the eyes of Heaven.

Purity is a genuine pearl of great value; if you make yourselves the owner, walk cautiously so you won't lose it in the middle of the way, because many will want to usurp it, stealing it from your hands.

Purity covers you with dresses adorned with pearls and brocades; dresses that very few possess, because many souls have covered their hearts with rags of impurity; impurity which makes them imitations of Satan.

In my Immaculate Heart you will find the true purity because in my womb the infinite purity resided.

Purify your heart in the rivers of grace; rivers that will return the beauty that you lost because of your human frailty.

III. Chaplet of Protection (Page 8)

Day 6. Consecrate Yourselves to My Maternal Protection

January 4, 2010 (12:20 p.m.)

My Children: Shake off, now, from your lethargic sleep; break with the things of the world, which enslave you; decide, in this very moment, to begin a firm process of conversion in your lives; conversion, which will lead you to make life the Word of God; conversion which will get you closer to Jesus, and will be preparing you for His Second Coming, because his soon return is imminent; conversion that will move your spirit in a continuous reparation, since the world is presently covered with dense fogs; the world runs, at a breakneck speed directly to the abyss of hell, because men have moved away from the way of the Lord; men have closed their hearts to my messages.

Messages that fall into a vacuum.

Messages that are underrated, by the majority of the members of the Church.

Messages that being a voice of warning for all humanity, are discarded immediately.

Beloved Children: Mary, Teacher of the Apostles of the Last Times, still, continues crying by the hardness with which the messengers and prophets of the Lord are treated.

Still continues crying: because men do not want to understand the magnitude of everything that is happening.

Still continues crying: because the world, still, continues sleepy, has not woken up to reality;

reality that shows tangible signs of the end of the times; reality, that cannot continue to be clouded by the bad interpretations that are made of these subjects, or by the ignorance of the apparitions and Marian prophecies approved by the Church.

Keeps crying: because all the extraordinary phenomena are not believed, are disqualified by the obtuse thought of many proud and conceited hearts.

Keeps crying: because Satan took with him many souls to hell.

Keeps crying: because sin is destroying the spiritual life of many of my children.

Keeps crying: when judgments arise that underestimate the manifestations of the last days.

Keeps crying: when the mouths of the true prophets are covered.

Keeps crying: because, more each time, you hear homilies and preaching that question my words, my apparitions, my callings of love.

Keeps crying: because my favorite sons speak very little of Heaven, of Purgatory, and of Hell.

Keeps crying: because the notion of sin has been distorted.

Keeps crying: because masonry is, silently, devastating the Church.

Keeps crying: because the fervor and piety have been lost.

Keeps crying: because atheism separates many souls from God.

My dearest Children: Mary, Teacher of the Apostles of the Last Times, wants to indoctrinate you; wants to show you the many dangers that lurk you; wants to take you to a change in life: because only if you remain in a state of grace, you will endure the test.

Only if you remain faithful to the Sound Doctrine and the tradition, you will save yourselves.

Only if you remain in the Tabernacle adoring Jesus present in the Sacred Host, you will not be deceived by the beast.

Only if you remain covered under my Celestial mantle, the enemy will not come close to you.

Pay attention to these last calls from Heaven; consecrate yourselves to my maternal protection, that I will direct your lives and I will take care of you as a good mother looks after her children; I will guide your steps so you can meet with Jesus; I will keep you in one of the Chambers of my Immaculate Heart, in such way that you will pass unnoticed in front of the snares and harassment of the devil.

Pay attention to these last calls from Heaven, and heed my messages; keep them in your heart and live them; let them be known to the humble and simple, that they will know how to welcome them as words from Heaven.

Pay attention to these last calls from Heaven, and walk after the footprints of Jesus; radically renounce the things of the world and carry the cross of each day with love.

Pay attention to these last calls from Heaven, leaven, now, your life of sin and wait, because very soon the world will be transformed, will go back to the first order.

Virtue of Perseverance

I plant, in your garden, the Rose of Perseverance, rose of vivid color that inspires you; encourages you; motivates you to remain in the garden that God has planted for you.

Cultivate this celestial rose with joy; joy, even, in moments of sadness looking always ahead and never back.

Be persevering, my children, in prayer.

Be persevering, my children, in the Sacraments.

Be persevering, my children, in the reading and meditation of the Holy book.

Be persevering, my children, in the prayer of the Holy Rosary.

Be persevering, my children, in the practice of the Christian virtues.

Be persevering, my children, in the love of silence and solitude.

Be persevering, my children, in living the Gospel radically.

Be persevering, my children, in walking after Jesus.

Be persevering, my children, in my paternal school that teaches you how to love God above all things.

School that teaches you to die to your own interests to think in favor of the others.

School that teaches you to love and ardently desire the spiritual nourishment.

School that teaches you to walk like pilgrims on earth whose goal is to reach Heaven.

III. Chaplet of Protection (Page 8)

Day 7. Repair and Make Sacrifices

January 4, 2010 (4:30 p.m.)

My Children: the refuge of my Immaculate Heart is open for all of you; in it you will find shelter, protection; in it you will feel safe, convinced that the enemy will not dare to touch you.

Repair for so many offenses and sacrileges that Jesus receives in the Most Holy Sacrament.

Repair and offer sacrifices because sin has reached the summit of impudence. The Father's cup overflows. Very soon His righteous anger will be unleashed over all humanity; the time has come to you that everything will be fulfilled. The punishment will not be delayed any longer because many souls are in risk of condemnation. Many souls hurt the Most Sacred Heart of Jesus with their iniquity. Many souls have reached the top of impudence, many have open the

doors to temptation; many souls abuse of God's mercy; many souls are going to end in hell because they do not obey the Commandments; they make a carnival, a feast of their lives; many souls stink of rottenness, because there is nothing good in their hearts; many souls challenge the Lord, leaving their conversion for tomorrow. Many souls have made themselves accomplices of the devil himself.

Beloved Children: I want to remind you, for the last time, part of the message that Jesus gave to Padre Pio in 1950: a great part of humanity will be destroyed, like the inhabitants of Sodom and Gomorrah, because they have not embraced the liberating message of Jesus; they have turned away from Him; they are walking by the way that will lead them to perdition.

Beloved Children: when you see changes in the sun, in the moon, and in the stars: be prepared, because very soon the 72 hours will begin, prophesized in the Holy Scriptures; hours which will start from a cold night, night in which the wind will blow; night in which you will hear the thunder of lightning; night in which a persistent rain of fire will fall; night in which the wind will spread, through all the earth, poisonous gases; night in which you must cover doors and windows so you won't see the war unleashed between Heaven and Hell, because if you look: you will die suddenly; night in which must kneel in front of a crucifix and ask for celestial protection; night in which you must pray, prostrate or with arms outstretched, asking for my Maternal protection; night in which the souls that are in a state of grace and ask for my protection, nothing will happen to them; the innocent and good souls that die will be taken as martyrs; night in which you must light a blessed candle and pray the Holy Rosary and the Chaplet of Protection: Who is like God, no one like God, praying with your mind and with your heart; night in which you must shelter the animals, they are also creatures of God; night in which many will die of fear, of desperation; night in which the wicked will be annihilated; night in which the elected must not sleep.

My Dear Children: once the 72 hours have passed: the sun will reappear. A great peace will reign. Jesus will be loved, adored, and glorified. The Church will live humbly and practice the virtues of Jesus Christ, Supreme and Eternal Priest. There will be no divisions; all will live in the holy fear of God. "But of the day and hour no one knows, not even the angels in Heaven, nor the Son, but the Father only." (Matthew 24:36)

Understand that: your time has come, now there is no more time for entertainment; the little time that you have left is for prayer, to do penitence, fasting, mortifications.

Turn your eyes and your heart to the Lord. He waits for you to forgive you, to purify you, and cleanse you in the Rivers of Grace.

Leave the things of the world, convert yourselves entirely to God.

Pray, pray because all the events prophesized in La Salette, Fatima, and Akita are soon to be fully accomplished.

Pray, pray because Satan's astuteness has planted confusion in the entire world; confusion that leads to loss of faith; confusion that leads men after stories, after fables.

Pray, pray so my last messages spread throughout all the earth; hopeful messages, messaged that will touch the hearts of men taking them to conversion.

Pray, pray so the entire humanity consecrates itself to my Immaculate Heart. Heart which is a secure refuge in this end of times. Heart that burns in the flame of Holy Love for all the creatures. Heart that will strengthen you when you feel fear. Heart which is an oasis of peace when you feel anxious.

Virtue of Obedience

My little ones: I want to instruct you in the virtue of obedience because if you are obedient you will climb high summits to sanctity.

Obey the promptings of the Holy Spirit. He does not blow just for the sake of it, his Divine Breath moves you; impulses you to follow the freshness of his wind, the gentle waves of his presence.

Walk moved by his voice.

Stop by moments to the rush of your heart and discern if it is God's Will.

What comes from Him must give you peace.

The anxiety and confusion of spirit do not come from God.

Obedience polishes the roughness of your heart, files the burnished of your life, and gives form to the coarseness of your being.

Obedience makes you (as wood without form that, in the hands of the wood worker, through effort and constant work, goes chiseling until he constructs his work) perfect works.

Obedience is a sign that God is in you, and a sign that what you do, even if you walk against your own tastes and interests, is to give glory to his name.

Be obedient like My Son Jesus was obedient to the Saving Plan of God.

He did not put up any resistance to his Great Mystery.

He accepted it in spite of the suffering and humiliation that He had to endure as long as He could obey his Father, to render tribute with his death on the cross.

Be obedient as the first disciples; disciples who left everything, risked everything to follow his footprints, to embrace the cross, because all following implies renunciations and sacrifices that

hurt.

Be obedient as the Patriarchs and Prophets, men tough and hardened in the faith.

Men of worn-out sandals who acted according to God's will.

Be obedient like the Apostles, anointed by God that allowed to be molded, grinded, and kneaded to give glory to the God who called them.

Be obedient as I was; I did not question God's plan; I put myself in His hands to guide me in his walk.

I abandoned myself completely to His project of love.

III. Chaplet of Protection (Page 8)

Day 8. Your Hour has Come, Everything Will Be Fulfilled

January 5, 2010 (6:45 a.m.)

My Dear Children: Mary, Teacher of the Apostles of the Last Times, has a great task, a mission granted by Heaven: wake up from your lethargic dream and of your spiritual sleepiness; because your hour has come: everything that is written will be fulfilled.

Many are the messages that talk of the end of times; messages kept in the rusted drawers of the heart; messages forgotten, full of dust; messages questioned by some theologians who argue that the Lord is only mercy, infinite kindness, who forgives everything; messages, given to true prophets that, are not credible when they mention the punishment which awaits humanity if they don't convert; messages that are not even discerned, are rejected immediately.

To you my soldiers of the Victorious Army of the Triumphant Hearts, I address my words because in your heart I find humility, simplicity, openness, and docility to the action of the Holy Spirit.

To you, my beloved children: I want to form you as advanced disciples in Divine Wisdom and Sanctity.

To you, I want to prepare with my lessons of love; I want you to take consciousness that the hour for the Second Coming of Jesus is getting near; accept that you are in the threshold of the New Jerusalem; but you see new skies, new earth, many events will take place; the prophecies of the Sacred Scriptures will have to be fulfilled literally; events of great magnitude are about to come to the entire world; even the most just will have to confront the great test.

Beloved Children: I will help you to comprehend some signs described in the Holy Bible; signs which clearly show you that you are at the end of times; signs who will be taking you to a perfect conversion, transformative; signs which will make you feel the proximity of the events; signs

misinterpreted by many modern theologians; signs which are only accepted and understood by the souls who have a child's heart; signs which are the clear response which shows you the speedy arrival of the Messiah.

The first sign is the great apostasy.

Dear Children: "Let no one deceive you in any way; for that day will not come, unless the rebellion comes first, and the man of lawlessness is revealed, the son of perdition". (II Thessalonians 2:3);

apostasy that leads men to get out of the true doctrine;

apostasy that leads men to walk in darkness;

apostasy that leads men to render cult to Satan;

apostasy that leads men to reject the dogmas of our Church;

apostasy that leads men to question the Holy Scriptures and the Teachings;

apostasy that leads men to deny the existence of the Angels, of Purgatory, and of Hell;

apostasy that leads men to deny the real presence of Jesus in the Eucharist.

Eucharist which is taken as a symbol, like a simple dinner in which the Lord is remembered in a Holy Thursday;

Apostasy that proliferates atheism, masonry;

Apostasy that promotes the new age movement;

Movement that has come out of the depths of hell;

Movement directed by Satan: "The serpent poured water like a river out of his mouth after the woman, to sweep her away with the flood". (Revelation 12:15)

My Children: always ask for the help of the Holy Spirit, because many souls lie in error, have fallen into the abyss of lies; have come out from the reliable sources; the great apostasy is destroying the ministry of many of my favorite sons; sons who dare say that the Bible holds historical errors; sons who claim that the Sacraments are mere symbols; sons who have lost the definition of what is sin; sons who deny Christ's Resurrection.

Don't let yourselves be confused; reject the error coming from whoever it comes; remain faithful to the true doctrine of the Holy Scriptures, of the Catechism, and of the Teachings of the Church. "And many false prophets will arise and lead many astray". (Mt 24:11)

Consecrate yourselves to My Immaculate Heart. I am your Celestial Mother who will protect you as little children, let yourselves be led by my hands; the enemy will not be able to snatch you; he doesn't stand my presence because he knows that very soon the woman clothed with the sun, standing on the moon, with a crown of twelve stars will crush with her heel the head of the

snake.

Pray so you will persevere in the faithful rest of the Church; don't let go of your lips and of your heart the Holy Rosary, crown of roses which will help you to remain in the truth.

Virtue of Gratitude

Little Children, of my Immaculate Heart, as Teacher of the Apostles of the Last Times, I call you to live the Virtue of Gratitude.

Virtue which gives joy and pleasure to your heart.

Virtue which leads you to recognize the good that others do for you.

Virtue which makes you generous to give thanks, thanks because in your sadness someone consoled your heart.

Thanks because in your desolation someone lifted your fallen spirit.

Thanks because in your doubts someone cleared your way.

Thanks because in your solitude there was someone who accompanied you.

Thanks because someone encouraged you to live, to enjoy each moment, to make of your life a wonderful adventure.

Thank God for all He has given you.

Thank Him because, through your eyes, you can see the harmonious work of creation.

Multi-color creation that enlivens you; that alienate you from so much love for all his creatures.

Thank Him for your ears, ears that allow you to listen to his soft voice. Ears that delight before the chirping of the birds. Chirping which is a song of praise to God.

Thank Him for your voice. Voice which let you to praise Him, to speak his message, message which is transforming and liberating.

Thank Him for the beauty and delicateness of a flower; flower that by its fragility softens your heart.

Thank Him for the sun, the moon, and the stars; stars of heaven that deck the firmament.

Thank Him for his permanence in the Eucharist; He did not leave you solitary; He thought of you because He loves you.

Thank Him for your family, for your home. You are surrounded by loved ones who appreciate you, which accept you just as you are.

Thank Him for your work, for your company; they are means that He has provided for your sustenance.

Thank Him for your health and sickness; you are fragile; you are not glorified bodies.

Thank Him for your trials; trials which refine you, purify you, so you will return to the House of Heaven.

Make your life perennial gratitude because you are unique, unrepeatable; you are perfect work of the creation of God.

My Little Children: my life was a continuous hymn of gratitude for the work that the Most High did in Me. Gratitude because in my littleness, He made me his slave.

Day 9. Pray the Holy Rosary Daily

January 5, 2010 (2:00 p.m.)

Beloved Children: take the Holy Rosary into your hands and pray it daily because "Countries will fight each other; kingdoms will attack one another. There will be famines and earthquakes everywhere. All these things are like the first pain of childbirth." (Matthew 24:7-8)

Evils that will spread throughout the earth;

evils that will have to happen because everything that is written must be fulfilled;

evils that will lead many souls to repentance, to embrace the cross of the Martyr of Golgotha.

Evils that will snatch the undergrowth and the nuts;

evils that will show to all mankind the just anger of God, because men have been perverted; they wallow in the mud of their passions and of their sins; they have separated from God, walk towards perdition.

The wars, disasters, and tribulations are another sign that characterizes the end of times. There will be great earthquakes in the world; earthquakes that will increase the volcanic activity, beside the plague of H.I.V., first plague of the Revelation. Other plagues will come which will cause death, because barely a cure will be found; a great part of the potable water will be contaminated; the flooding, the tornadoes, and hurricanes will increase.

Mary, Teacher of the Apostles of the Last Times, warns humanity; warns you of the events so you will turn to the Lord, so you will make reparation for your sins and for the sins of the entire world.

Remained covered under the folds of My Sacred Mantle, because there will be wars, wars which will lead to the enmity of people against people; wars which will cause pain, great sufferings.

Do not be alarmed, but there will be a Civil War in the United States; pray for its inhabitants,

pray for its government, pray because the collapse of the world is near.

Do a lot of penitence and intensify prayer, because humanity is at the edge of a third world war.

My most dear Children: The time has come for you to decide which is the way you must walk; the way of good or the way of evil; the narrow way which leads you to Heaven, or the wide space which leads you to Hell.

Don't give more idolatry worship to Satan; give it to God. He is the Creator and Lord of the universe; to Him you must render all adoration and all glory.

I don't pretend to worry you, only to warn you so when the moment comes you it will not surprise you unprepared.

The Lord is extremely merciful, but also just; work for the salvation of your soul, and afterwards pass to receive payment for the day's labor.

Leave the world now, a world in convulsion, paganized; retire yourselves to the desert and evaluate how your life is; recognize yourselves as sinners most in need of God's mercy, avid of a good Mother to protect you, which looks after your sleep, who takes care of you when you feel sick.

Beloved Children: The only thing left for you is to pray, intercede, and repair because the iniquity is much; man's estrangement from God is much; there is much superficiality; there is much disbelief of the prophets; there is much apathy for the apocalyptic themes.

Satan makes you doubt; he make you postpone your conversion; he presents to you models of relaxed life; he submerges you in the darkness, covers your ears so you won't hear my voice; hardens your heart making you reluctant, apathetic; subtly sets traps for you, wants your condemnation.

Come, my children, make yourselves private soldiers of my Victorious Army, consecrating yourselves to my Immaculate Heart because it is a holy refuge for this end of times. I am Ark of Salvation for all humanity; don't let it happen to you like in Noah's time: the world did not believe and that's why they perished.

Make yourselves private soldiers of my Victorious Army, consecrate yourselves to my Immaculate Heart; your loads will be lighter if you embrace the cross of Christ; your loads will be lighter if you live his commandments, if you do a lot of works of mercy.

Virtue of Simplicity

Seek the simple things, because in simple things God is also there. Don't walk from one side to another looking for novelties, wanting to find the extraordinary, because you can stumble and

fall on your knees without finding who can sustain you or who can help you get up.

Appearances are deceiving and many times, what apparently is true, can be a lie; or what to our eyes is a farce, results being a truth.

Come and prostrate yourselves at the feet of Jesus.

He shows himself to you as He is, without camouflages or overdubs.

Because in the simplicity of the Eucharistic Bread is really his Body and his Blood.

He doesn't need to make use of what is attractive to your eyes, so you will believe in Him.

In front of Him you are living the most extraordinary thing that exists over the face of the earth, the true God dressed in the simplicity of the Holy Host.

Praise God for the Effusion of the Spirit, because with his gifts and charismas He enriches our Church.

Don't look for the least and despise the rest.

Look for simple things, because in the simple God is also there.

III. Chaplet of Protection (Page 8)

Day 10. Continue On Your Way to the Cross

January 6, 2010 (6:30 a.m.)

Beloved Children: continue on your way to the cross; a narrow way, with thorns, but which leads you to heaven.

Continue with your eyes raised to Heaven; Heaven carpeted of blue; Heaven full of stars; Infinite Heaven; open Heaven for the souls that live according to the Divine Will.

Continue with your heart united to the Most Sacred Heart of Jesus.

Heart that burns in the flame of Divine Love.

Heart with several Chambers, ready to shelter you.

Heart which is a haven of protection for the time of tribulation that you are living;

Continue after the footprints of Christ,

Footprints that perfume your walk;

Footprints who will take you to the place where He lives;

Unmistakable prints because they are the footprints of the Teacher of worn-out sandals.

Continue the way of adoration and of reparation. The sins that wound our Sacred Hearts are many. Many are the impious who trespass our United Hearts with darts of disaffection.

Continue your walk united to my Victorious Army, because there is a spiritual battle between the powers of Heaven and Hell.

Continue by the ways of mortification and of penitence, because there will be a bloody persecution against the true disciples and apostles of the Lord;

Persecution, even, within the very Church, because Satan has infiltrated it, has seduced some of my sons who no longer work for Jesus but for the powers and principalities of hell; has planted in their hearts lethal poison; poison which makes them apparently religious, obedient to the mandates of the Holy Father the Pope, but carry inside of their heart the sting of disobedience, of heresy.

Continue with the Holy Rosary in your hands and offer it to me for all who are unjustly persecuted, slandered; Satan usually uses good persons to destroy the works of God; repair for them, they have a pending account to pay, to go to Heaven.

Continue with your Mother of Heaven;

Mother who is reminding you for the last times the messages given in many parts of the world, because the time of mercy has finished; the time of tribulation and of justice is ongoing.

My Dearest Children: the bloody persecution against those who are faithful to Jesus and his Gospel, is the third sign which shows in the end of times; "Then you will be arrested and handed over to be punished and be put to death. Everyone will hate you because of me". (Matthew 24:9)

Disciples who do not walk after the guidelines of the world but of the Gospel's precepts;

Disciples who imitate the virtues of the Teacher;

Disciples who cheerfully carry over their shoulders the cross;

Disciples who considered themselves pilgrims who are going in search of the Celestial Home;

Disciples with aroma of sanctity;

aroma which leads them to reject the things of the world;

Aroma which leads them to detest sin;

Aroma which leads them to live the Sound Doctrine;

Doctrine that will never be changed;

Clear doctrine that goes in perfect coherence with the doctrine preached by Jesus;

Doctrine that crashes against the currents of modernism;

Doctrine adheres to tradition;

Doctrine that leads them to be misunderstood, rejected by a depraved society;

Doctrine that does not match with Jesus's teachings;

Teachings, according to them, obsolete, incompatible with the progress and advancement of the world.

My Children: Many are the enemies that besiege the Pope;

Enemies who work covertly to destroy the Church;

Enemies who against his thoughts and traditional doctrine; pray for my beloved son, the Pope.

Many are the enemies for the faithful rest.

Faithful rest sheltered by my Maternal protection.

Faithful rest defended by Saint Michael Archangel.

Faithful rest who suffers harassment, humiliation by being accepted disciples before the eyes of the Lord;

Faithful rest who will have to hide before the powerful enemy who will take the position that does not belong to him;

Faithful rest who will encounter hard battles, who will pass through difficult trials;

Faithful rest who will remain, even, going through bitter battles.

Beloved Children: consecrate yourselves to my Immaculate Heart so you will have desire of the things of Heaven; so you will dress yourselves of the necessary strength for this time of tribulation because the attacks will be many, many persecutions for the faithful rest of the Church.

I love you and bless you. +. Amen.

Virtue of Wisdom

With my teachings you will become wise.

Wise because I want to take you out of your ignorance, of your darkness.

Receive them as rivers of living water that fall in your heart and produce fruits of grace.

Cultivate them in your heart as a rose garden of fine exportation and cut the undergrowth so your harvest will not be damaged, not be infected by the virus of the sickness of sin.

Seek for wisdom so you will find great, reserved treasures.

Seek for wisdom as only desire in your life. Prefer it to all the riches of the world.

Desire it more than gold and silver, perishable goods that one day finish.

Open your understanding and desire that wisdom comes to you like a strong rainfall.

Having it in your hands, you will have made yourselves rich, because wisdom does not have a price; no amount exists with which it can be bought.

Despise the good of earth and desire the goods of Heaven.

Run away from the science of the world and get close to the Science of God. Waste your life deepening in its mysteries, don't spare in searching for it.

Desire them as the dry earth that wants to be soaked by a strong rainfall.

Desire it like the fish longs for water or as the bird his wings to start flying. Do not whim for the trifles and the petty details that the world gives you.

Be hungry for the wisdom of God and eat till you are full. In the Sacred Book you will find a rich and varied menu, enjoy it as exquisite delicacies that fall to you from Heaven.

III. Chaplet of Protection (Page 8)

Day 11. This is the Last Call; You are Free to Choose

January 6, 2010 (2:15 p.m.)

My dearest Children: Heed my last call; for so long I have been talking to you of the same thing and my words fall into a vacuum; my messages are read very little and much less lived; the indifference of my children hurt my Immaculate Heart, the reluctance that there is to these manifestations make me cry.

I understand that there is proliferation of messages; messages of doubtful origin; messages that lead to confusion; messages that lead to the loss of faith; messages that have not been given by Heaven, have been created, imagined; messages by pseudo-visionaries who attribute themselves a prophetic mission; messages that already have been read or listened. "Thus says the Lord God. Woe to the foolish prophets who follow their own spirit, and have seen nothing." (Ez 13:3) "They have spoken falsehoods and divined a lie; 'says the Lord', when the Lord has not sent them, and yet they expect him to fulfill their word." (Ez 13:6)

Discern, under the light of the Holy Spirit; Spirit that blows and acts in this end of times. Ask that you be shown the true manifestations and interventions of God.

The prophets are few, few are the privileged souls who received communications from Heaven; remain alert so you won't be deceived; don't go from one side to the other just for the sake of hearing new novelties; calm your spirit, calm your heart, and go to the Sanctuary that Jesus is waiting to give you all His love. Jesus waits for you to reveal His secrets and hidden treasures, because now the time has come of showing them, to let them be known, because your time is ending; the proximity of the events is surprising. They will come in the least thought moment; that's why Heaven has been warning you; has been preparing you so you wait for the soon Coming of Jesus without fear.

The world finds itself engulfed in an immense wave of darkness; the world is at the edge of an universal cataclysm; but the worst of all this, is that the world hasn't even noticed it; Satan has spiritually clouded and blinded humanity; humanity of hard heart to the divine callings; humanity

that has fallen in Satan's trap: making them believe that he does not exist so later he can pass them a bill.

My Children: don't be those who say: we have always been talked about the Second Coming of the Lord and up to now, nothing has happened; think, the reason for so many apparitions and warnings from Heaven, why the tears in the images, why the Eucharistic miracles. The answer is clear, is simple: soon the earth will return to the first order of creation. But before all of this happens, signs will happen that show you that you are in the end of times; signs prophesized as the horrible sacrilege in which the impious man will appear, "who opposes and exalts himself against every so-called god or object of worship, so he takes his seat in the temple of God, proclaiming himself to be God" (2 Thes 2:4). "And then the lawless one will be revealed, and the Lord Jesus will slay him, with the breath of his mouth and destroy him by his appearing and his coming. The coming of the lawless one by the activity of Satan will be with all power and with pretended signs and wonders." (2 Thes 2:8-9); prodigies that will deceive, still, the most elected; prodigies that will make man impious, simian of God, because here will be fulfilled what was announced by the prophet Daniel 9:27: "he shall abolish sacrifice and oblation".

Beloved children: the presence of Jesus in the Eucharist is true; precisely of the overflowing love that He has for you; He has remained alive in the Consecrated Host; Host that you must adore because God resides in it; host that you must repair because many are the outrages, the profanations against the Eucharistic Body of Jesus.

Be, then, brave soldiers of my Victorious Army, defend Jesus in the Eucharist, adore him for those who do not adore him, glorify him for those who do not glorify him.

Consecrate yourselves to my Immaculate Heart; it is an urgency of this end of times, times of terrible confusion; times in which the birth pains have started.

I remind you: this is the last call. You are free to choose. Heaven is giving you infinity of opportunities. The decision is yours, I just warn you so you will avoid sufferings, so you will gain a dwelling in Heaven.

The Virtue of Detachment

Heed each one of my teachings which I impart with love. Teachings that advance you in your spiritual infancy, and start making you more mature in your faith.

The moment has come that I speak to you of the Virtue of Detachment.

Virtue that gives you detachment to the earthly.

Virtue that makes you aware of your wasted acts, wasted because you hold on to expired things that you will not be able to take when you are called to the celestial home. Make a stop and

reflect which are your attachments, and make the fierce decision of to eradicate them from your life.

Walk with light luggage, that the night doesn't surprise you with your same way of thinking.

Renovate, then, in your way of acting and start a new way. A different way, way in which it will hurt you to surrender everything, even, yourselves.

My Children: a scale does not exist that can weigh the great love that a good mother has for her child.

From the announcement of my Maternity, I donated myself without reserves to the Will of God. My Heart has been flooded with happiness mixed with sorrow, because before his birth, I knew the great suffering that awaited me, by having to let go of the most beloved of my Immaculate Heart. But I abandoned myself completely in the hands that can do everything with the least objection, because the sorrow offered produces marvelous effects in the soul.

So, then, my little children who must make of your life a constant detachment, so that slowly you can be dying to your attachments and be born in you a new being attached to God.

III. Chaplet of Protection (Page 8)

Day 12. I Call You to Prayer, to Repentance

January 6, 2010 (6:00 p.m.)

Beloved Children: I call you to prayer, to a true repentance of your faults, repair because many are the sins which humanity commits.

Repair because man does not behave according to the laws of God; he acts moved by the rulings of Satan.

Repair, because the supernatural phenomena are considered a product of the mind, dwindling its supernatural character.

Repair because gusty storms drag many souls to the depths of hell.

Repair because the devil is making the rounds, has established his reign in the hearts of many men.

Repair because the world has distorted the Gospel; has deformed the Word.

Repair because the Divine, the Sacred has lost value; faith is scarce in the hearts of my children.

Repair because the world has turned pagan; God does not occupy the first place in the hearts of the creatures, and much less in the center of the families.

Repair so the entire humanity turns their eyes to God, so it understands that life without God is

null, empty, so they feel the need to ask for forgiveness; forgiveness that will only be found in the Sacrament of Confession; forgiveness which is vital for the full life, life in abundance.

My Children: the end of times is preceded by some signs which show palpably the Parousia (the glorious Advent of Jesus Christ in the End of Times), like the extraordinary phenomena that will appear in the firmament, firmament which shows you God as infinite; which evokes the dwellings that the Eternal Father has prepared for you.

My Children: I have appeared so many times, so many times supernatural manifestations have been given, and the entire humanity has not wanted to wake up, hasn't been able to read the signs and signals that accompany the end of times; times in which "the sun shall be turned into darkness and the moon into blood, before day of the Lord comes, the great and manifest day". (Acts 2:20) "Then will appear the sign of the Son of man in heaven, and then all the tribes of the earth will mourn, and they will see the Son of man coming on the clouds of heaven with power and great glory." (Mt 24:30)

What more extraordinary phenomena do you want to see?

Phenomena which shows you that God exists;

phenomena that must lead you to a perfect conversion;

phenomena which are a voice of warning so you will change your life and get closer to the Lord;

phenomena which are signs for the Second Coming of Jesus;

phenomena which show you that eternity is a reality which sooner or later you are going to have to face.

Beloved Children: as Teacher that I am of each one of you, I find myself in the need of giving you these lessons from Heaven because it is important that you prepare yourselves to the soon return of the Lord; I don't want that at His arrival you are surprised asleep and without oil in your lamps; I don't want you to go through the same thing as the foolish virgins; virgins who arrived late to the invitation and found the doors closed.

I only ask you to remain watchful, walking through the paths of prayer, mortification, and penitence; I ask you to live the messages in the same way as the people of Israel obeyed Moses and left Egypt to go to the promised land.

By the urgency of time, you must stop the hesitancy, the hesitations; cut with everything which is sin, and repair because the justice of God soon will let itself be seen and felt.

Consecrate yourselves to my Immaculate Heart; join the ranks of the Victorious Army and battle against the enemy; enemy that will be defeated, sent to the deepest abyss of Hell; because very soon (as in the times of Noah, a few will shelter in the ark built by his own hands) in this end of

times; a few will shelter in my Immaculate Heart, and will be saved.

The consecration to my Immaculate Heart will work spiritual prodigies in your lives; you will receive a Divine touch of my Maternity; you will be my beloved children who I will always protect because my Celestial Mantle will be always covering you.

Consecrating yourselves to my Immaculate Heart, your fears will dilute; you will return to the way of the Lord; you will be pilgrims on earth who await for the soon coming of the Lord.

Virtue of Love

My Children: you must know that love is the best medicine of the soul. Medicine that scars your wounds, cures your sores, cleans the enmities of your heart. Love without measure; love to fullness, love in abundance because love is: therapy for the soul, rest to your spirit, and relief for your interior. If God is love, you are created by Love for Love. Don't be stingy to lavish love.

Love your enemies, poisonous stingers, which make you cling closer to God.

Love your parents, who gave you life and, as such, you must accept them with their defects and with their virtues.

Love your brothers, see in each one of them the presence of my Son Jesus.

Love the children, defenseless creatures who are the sleepless nights of my Immaculate Heart.

Love the elderly, be patient and caring, the years weigh over their bodies; they lack the clarity they had in their youth; think that today you are young, tomorrow you will be old.

Love the animals; they are perfect work of the creation of God.

Love and take care of nature, God is its Maker; God thought of you; enjoy yourselves with the harmony and gallantry of the landscape.

Love all men of the earth, they are the makings of the hands of God; you were created to His image and likeness.

Love excuses, justifies.

Love forgives, liberates from guilt.

Love lightens your sorrows, sweetens you.

Love gives you liberty, gives you wings, wings to fly towards Heaven.

Love joins itself to my Holy Love and to the Divine Love; love that transcends; love that captivates; love that traps.

Love removes the fear giving you tenacity, endurance.

Love is the way to sweetness, of well-being, of spiritual comfort.

Love is joy, celestial fragrance that captivates, enamors.

Love is the likeness of God on earth.

III. Chaplet of Protection (Page 8)

Day 13. Come Up With Me to Mount Calvary

January 7, 2010 (12:00 p.m.)

Beloved Children: come up with me to Mount Calvary. Jesus is bleeding in his Sacred Passion because some shepherds have left the truth of the Gospel, dragging with themselves many souls to error.

Come up with me to Mount Calvary, Jesus is bleeding in his Sacred Pasion because He finds himself in a sepulchral solitude in the majority of Tabernacles of the world.

Come up with me to Mount Calvary, Jesus is bleeding in his Sacred Passion because the black smoke of Satan has penetrated in the Church. Church that will reach the densest darkness, the greatest consternation and perplexity because Satan's plan is to destroy it, divide it, that's why he is the principal author of the ecclesiastical masonry, secret sect which will lead to the apostasy, secret sect that detracts what is sin; sin which is justified, accepted as a normal attitude of the human psychology;

secret sect that will lead to the false ecumenism, to argue that all religious beliefs possess some truth.

Secret sect that pretends to unify all the professions of faith in one ecumenical universal church. Secret sect who will adduce that the Word of God is embellished, adorned with a literary language, symbolic language; this one, trick, of Satan that will lead to rationalist and philosophical interpretations of the sacred texts.

Secret sect that will attack the Sacrament of the Eucharist.

Eucharist that will be taken as mere symbol, denying the real presence of Jesus in the Holy Host.

Secret sect that will lead to the rejection of the Pope and the Teachings of the Church.

Secret sect that will lead the majority of men to follow the false Christ and the false church.

Secret sect that will favor the modernism, the modernism that will open the way to the profanation of the Mystical Body of Christ and to degrade the sacred.

Secret sect that will start a bloody persecution against the faithful rest of the Church.

Church that will be protected and hidden in my Immaculate Heart through the consecration;

Consecration that will move you to conversion,

Consecration that will move you to life of sanctity and fidelity to the Church;

Consecration that will make you soldiers of my Victorious Army.

Army that will battle in this end of times and will remain faithful to the doctrinal principles.

Come up with me to Mount Calvary, Jesus is bloody in his Sacred Passion, because this is the time of the last warnings and they are not being heard; they are not believed.

Wake up entire humanity, do not walk any more following the pestilent footprints of Satan; defeat him with the Eucharist and the Holy Rosary. Legions of demons have been let loose from hell to tempt.

Beloved Children: Jesus died on a cross; gave his life for all of you; Jesus suffered harassment, humiliation. Jesus offered himself as Divine Victim for all humanity and, you, what do you have to offer to Him, what do you have to give to Him? The least you can do is offer Him your life; give Him all your being so He does as He pleases with you.

Start, today, the way of your conversion; conversion which leads you to a radical change, to come back to God, to forgive from the heart, because: How are you going to ask forgiveness to the Lord if in your interior there is resentment? How do you pretend to reach Heaven if you do not know the Holy Scriptures, if you don't do a life of Word of God?

Walk the way of the cross, walk through the street of bitterness, reach the Calvary of the Martyr of Golgotha and kneel before Him, because his suffering is great.

Be like the sorrowful Mother and like the Apostle John remaining at the foot of the cross, because many are the reasons for which you must repair, many are the offenses that the agonizing Heart of Jesus receives, the cup overflows, has surpassed its limit.

Come closer to the tribunal of mercy, confess your sins, repair for your sins and do penitence. Unite the prayer with mortification. Construct two altars, like when Salomon built the temple: and altar in your body which you will perfume with the incense of prayer and another altar in your body which you will groom with the myrrh of mortification.

I love you and I bless you: +. Amen.

Virtue of Trust

My Children: don't place your trust in the creatures, put it only in Jesus. If you trust men more, you will live bitter, melancholic. The sadness will be noticeable in your look because you will never find consolation in the creatures; creatures full of must; creatures with an earthly heart; creatures who have lost their divine traits because sin deforms them; the brush strokes of the Celestial Maker lose their beauty; the perfection traced by the hands of God have deteriorated; they have been overshadowed.

Only in the Heart of Jesus you acquire trust; trust so you are able to move directed by Divine Will. Trust so you will believe in your capacities, aptitudes.

Trust so you won't hide your head again like the ostrich.

Trust so you can fly like the eagle and you find yourselves with God.

Trust so you will walk with spirit because nothing bad is going to happen to you.

Trust so you will reach your dreams; dreams that will give you personal satisfaction, fullness.

Trust so you will leave your fears; fears that daunt you, make you belittle.

Trust so you will let go of the oars and get off the boat, and walk over the waters.

Trust so you will of your life a marvelous adventure.

Trust so you will write the story of your life with a happy ending.

Trust so you enjoy the world.

Trust so you will let yourselves be led by the lights of the Holy Spirit.

Trust so you will let go of the chains, oppressing ties.

Trust so you will fix your eyes in Heaven; Heaven with many abodes and rooms for all of you.

Trust so you will let the world go, so you will change your route.

Trust so you will believe in the promises of the Lord; promises that gain validity in the measure of your faith.

III. Chaplet of Protection (Page 8)

Day 14. Little Rest, Don't Be Afraid, You Will Be Protected

January 7, 2010 (7:30 p.m.)

Little Rest, don't be afraid, because Saint Michael Archangel will cover you with his celestial mantle and will defend you with his divine sword.

Little Rest, don't be afraid, that I will shelter you in the refuge of my Immaculate Heart, the enemy will never be able to touch you.

Little Rest, don't be afraid, Christ will bathe you with His Most Precious Blood forming a great shield of protection in all your being, the darts of the evil one will never penetrate in you. Little Rest, don't be afraid, the Holy Angels will guard you as if taking care of the Most Precious Heart of Jesus.

Little Rest, don't be afraid, Mary, Teacher of the Apostles of the Last Times, is preparing you as brave soldiers of the Victorious Army, soldiers armed with God's armor who do not fear the powers of hell because they know their Captain will crush with her heel the head of the snake.

Little Rest, don't be afraid, heed the last warnings of the end of times.

Little Rest, don't be afraid, it is time already that you seek shelter in my Immaculate Heart; cover yourselves under the folds of my Holy Mantle, because many enemies will besiege you; the impious man will be appearing soon.

Little Rest, don't be afraid, live your lessons of love so the false prophets do not deceive you with their stores and fables.

Little Rest, don't be afraid, because soon you will see signs and prodigies appear in Heaven; don't be alarmed, this is an announcement for the Second Coming of Jesus.

Little Rest, don't be afraid, live the commandments of the law of God and you will be saved.

Little Rest, don't be afraid, go to the Lord that his mercy is eternal with all who love Him.

Little Rest, don't be afraid, remain faithful to the sound doctrine; accept the tradition, and flee from modernism.

Little Rest, don't be afraid, because you are the loved portion of the Lord; you are faithful disciples to his teachings; be radical in following them.

Little Rest, don't be afraid, carry the cross of Jesus Christ that soon you will see a new Heaven and a new earth.

Little Rest, don't be afraid, when you feel persecuted or besieged: you will be happy because yours is the Kingdom of Heaven.

Little Rest, don't be afraid, you will come out harmless in this time of tribulation and of justice; Jesus will pay you a good salary for your fidelity.

Little Rest, don't be afraid, Heaven is alerting you so when the moment for the events come, very soon the Messiah will come.

Little Rest, don't be afraid, because soon my Immaculate Heart will triumph and the Sacred Heart of Jesus will reign.

Little Rest, don't be afraid, because you will be preserved; the climatic alterations and the stations will affect you in a lesser degree because you knew how to respond to the anguished calls of a good mother.

Little Rest, don't be afraid, because you will receive crown of martyrs the days you are in the presence of the Divine Tribunal.

Little Rest, don't be afraid, wait joyfully the judgment of the nations; the just will be put on the right and the impious in the left.

Little Rest, don't be afraid, because very soon the day of mercy will arrive; day in which your consciences will be illuminated; day in which you will have a personal trial before the presence of the Lord; day in which many souls will start a process of perfect conversion; day in which one

will see your own life under the light of God.

My Children: the illumination of the consciences will be one of the final manifestations of mercy that will come from Heaven, because you will be able to see here a neat mirror of everything good and of the bad that you have done in your lives. It is the last opportunity that God will give to all humanity; opportunity in which the sinners will want to die; opportunity in which the Churches will be full of sinners looking for the Sacrament of Confession; opportunity which will lead you to a deep examination of conscience; opportunity which is the last gesture of love of God to all men.

Virtue of Simplicity

My Children: simplicity is a virtue which makes you similar to my Holy Love. My Immaculate Heart, by grace and mercy of God conserved the humility and the simplicity. I always rejected the presumptuous; the exaggerated luxury produced discomfort in Me because I thought in the moment in which my Son Jesus came into the world, and He being the Son of God did not find where to rest his head. The King of kings and Lord of lords is born in a manger of Bethlehem; manger which served as a cradle to the newborn. Blessed is he who sheltered the Man-God. Simplicity unties you from trifles; frees you from appearances; uproots you from the world giving you greater liberty because its ostentation are false decorations that puts tags and prices on you.

Look for simplicity in your life; do not complicate yourselves in your style; live in looseness; in the spiritual looseness. Do not hang on to things which one day are and tomorrow they stop being; things which will not take with you the day you leave from this earth to never return.

Simplicity is an altar of solid gold; a heavy altar because of its weight, because of its thickness. Simplicity takes you away from the fleeting, from the empty thoughts, because the soul that possesses this virtue possesses a spirit of interiority and transcendence.

Simplicity avoids you losses in your heart because whoever lacks it, will always live in the uncomfortableness; insipidity will be its traveling companion.

Simplicity is a virtue for the poor of spirit; virtue that moves them gradually to Heaven.

Simplicity was a virtue that adorned the saints that today enjoy the beatific vision of God in Heaven.

Simplicity is a resplendent crown that adorns the simple souls, humble; souls who pass unnoticed in front of the eyes of men but are visible in front of the eyes of God.

Day 15. My Immaculate Heart Will Triumph

January 8, 2010 (12:00 p.m.)

Dearest Children: My Immaculate Heart will triumph over this hedonist and materialistic world; world who has come out of God's cannons; world that runs at a breakneck speed which will lead you to the cliff.

My Immaculate Heart will triumph over this fragmented Church, darkened by masonry, divided by neo-currents and thoughts which are taken from the truth.

My Immaculate Heart will triumph over the impious man, son of perdition who will take to chaos, to the spiritual death many souls; souls of a weak, wobbly faith.

My Immaculate Heart will triumph over the great schism that will divide the Church; schism that will lead to religious confusion and relaxation;

schism that will lead to disobedience of the infallible authority of the Pope;

schism that will lead to the confrontation of cardinals against cardinals, bishops against bishops, priests against priests, faithful against faithful;

schism which will attack the Sound Doctrine and the Teachings of the Church;

schism that will want to wipe out everything which is called tradition;

schism that will darken the Church submerging it in dense fogs;

schisms that will make some hierarchs and prelates of the Church: heretics and anathema;

schism which is already brewing inside the Church;

schism that converges to the ecclesiastical masonry; masonry who has created a Teacher plan to destroy the Church.

Sinister plan that has come out of the abyss of Hell with will take the Church to a great catastrophe;

catastrophe in which many will lose the faith;

catastrophe in which many will not know how to differentiate the false church from the true Church;

catastrophe in which many will adore the false Christ;

catastrophe that will lead the Church to the most complete abandonment and to the most terrible desolation.

My Immaculate Heart will triumph in spite of the infidelity of some of my favorite sons; sons who do not submit their ministerial priesthood under my Maternal protection;

Sons who do not know how to persevere, accept the weight of the cross in the moment of trial;

Sons who open the doors to temptation and, because of this, collapse; they pass to the bank of

the disobedient, of the impious.

My Immaculate Heart will triumph in spite of the potholes through which the Church has passed through the history.

My Immaculate Heart will triumph because good will prevail over evil; Satan and his minions will be defeated in this final end of times.

My Immaculate Heart will triumph, the victim souls will be small lighting arresters of the Lighting Arrester who is Jesus Christ, Divine Victim.

My Immaculate Heart will triumph: the army of the black beast and the red dragon will be weakened.

My Immaculate Heart will triumph: the Eucharist is the highest manifestation of Jesus in earth; the world will turn Eucharistic, will revolve around the altar.

My Immaculate Heart will triumph: the entire humanity will love me, will feel the need of my Maternal protection and intercession.

My Immaculate Heart will triumph because after the horrible crisis of the Church, prophesized by me in La Salette, will enter into the era of peace; era in which the priest will be called: brother priest; the bishop: brother bishop, and the Pope: brother Pope.

My Immaculate Heart will triumph: the consecration will shorten the time of tribulation that you are living, will bring sooner the events so you can see the doors of the New Jerusalem open soon.

My Immaculate Heart will triumph because you will see descending from Heaven a woman clothed with the sun, standing over the moon with a crown of twelve stars.

Twelve stars which make reference to the twelve tribes of Israel; elected people by God to prepare the coming of the Son of God.

Twelve stars which refer to the twelve apostles that were the solid foundation for the construction of the Church.

Twelve stars that serve, also, as reference to the apostles of the last times; apostles consecrated entirely to me; apostles formed in my maternal school.

My Immaculate Heart will triumph because the time has been fulfilled; you are getting close to the glorious return of Christ.

My Immaculate Heart will triumph because I have at my service soldiers of the Victorious Army; soldiers who will spread the consecration of my Maternal Heart and the Apostolate of Reparation. Reparation so necessary in this time of tribulation; time in which everything will have to be fulfilled.

Virtue of Kindness

My Children: be kindhearted because the soul that possesses this virtue makes itself similar to the Sacred Heart of Jesus, because when He was passing through the earth, he left indelible marks in my way; marks that not even the strong storms or the strong winds could destroy.

He treated the sinner with kindness and the sweetness, unfortunate soul possessed by the spirit of moral disorder. His sweet words penetrated in the depths of their hearts; His Words invited to a change; a true conversion of the heart.

He treated the sick with kindness; souls who were in need of his love; souls avid of healing and cure.

He treated the pilgrims and strangers with kindness that crossed in his way because a tender word moves to change, to conversion; a sarcastic word hardens the heart, hurts it, it suffers.

He treated the multitudes with kindness that walked after Him looking for a miracle or because his preaching comforted them.

He treated the sinful woman with kindness; a flagrant woman; uncovered, recriminated woman, censured; his affable treatment, soften the hardness of her heart.

He treated Dimas and Gesta with kindness but only one of them let himself be seduced by the cries to the Father.

He treated Zaccheus, tax collector, his friendliness obliged him to return much more than what he had usurped.

Jesus treats all of you with kindness because you are the reason of his descent to earth. You are the reason of his crucifixion and of his redemption; you are the delight of His Heart.

Heart that beats with love for all humanity.

Kindness destroys the prepotency; sweetness and graciousness coerce the change.

Kindness is the nectar from Heaven that sweetens the bitterness of the hearts; it is molasses of love that pleases all creatures.

III. Chaplet of Protection (Page 8)

Day 16. Do Fasting, Mortifications, and Penitence

January 9, 2010 (1:00 p.m.)

My Children: follow the footsteps of Jesus, by walking through the narrow way, embrace his cross, and accept the sufferings of each day; do in everything His Holy Will, because in this way you can win the Kingdom of Heaven.

Heaven with its doors open for all the souls who persevered in the way of conversion.

Heaven with its doors open for all the souls that fulfilled with the mandates and precepts of the Lord.

Heaven with its doors open who embraced in their hearts the teachings of the Teacher of Teachers.

Heaven with its doors open for all the souls who abandoned all the fleeting pleasures of the world.

Heaven with its doors open for all the souls that rejected sin, mortal epidemic of this end of times;

Mortal epidemic that gangrenes the soul and deforms it;

Mortal epidemic which expels a fetid, nauseating most terrible darkness;

Mortal epidemic that takes with itself many souls to hell;

Mortal epidemic that has extended throughout the entire earth;

Earth that will suffer a total transformation through a rain of fire;

Earth that will have to enter in the desolation, in the Holy Friday;

Holy Friday because the moral degradation is much; the inversion of values is much; the moving away from God is much;

Holy Friday because many are the souls that cede to the temptations of the devil and the false seductions of the world;

Holy Friday because my Holy Cross is despised, a source of teasing for the pretentious, arrogant.

Holy Friday because the Sacraments, seven sources of grace, have been taken as mere symbols, diminishing the value that they have for the salvation of souls.

Holy Friday because the apostasy has spread the error leading humanity to confusion.

Holy Friday because the Mystical Body of Christ is being desecrated.

Holy Friday because the false prophets are overabundant; prophets who snatch souls from the hands of the Lord; prophets that attack the true messengers, sent by God.

Holy Friday because some shepherds of the Church misinterpret the Word and the Gospel, taking out the faithful from the trustworthy and true doctrine.

Holy Friday because the Divine and the Sacred lose their value gradually.

Holy Friday because the sin of abortion lacerates my Immaculate Heart and the Sacred Heart of Jesus; abortion which calls for justice from Heaven, because many are the unborn that I welcome in my womb, unborn that are martyrs, while still being, in their mother's womb.

Holy Friday because it will take many of my sons to martyrdom; sons who will maintain themselves in the truth; sons who will always accompany Jesus in the Mountain of Golgotha as John, his beloved disciple, and this humble servant of the Lord did.

Beloved Children: return to the Lord, let go from your hands the iron chains and start a new way because the time is being shortened. If Jesus would take longer to come, many of our children would be condemned.

Through the cross and of the consecration to my Immaculate Heart you will reach victory; you only have left to pray and repair, because the cup of the Father overflows, the punishment will come soon to humanity like a hurricane, as a fierce storm; but don't be afraid because the elected will be marked with the sign of the cross in the forehead and in the hand; will be protected, sheltered in the safe refuge of my Most Pure Heart.

Do fasting, mortifications, and penitence so the just anger of God doesn't fall into the earth with all its strength.

Virtue of Innocence

In my Immaculate Heart there were never shadows, stains, wrinkles. It maintained itself crystalline as water, transparent as the light of day, and white like cotton of the finest quality. Candor is the virtue which gives you purity, innocence to your heart. Purify your heart of obscene words, lascivious, lustful feelings. Go to the Rivers of Grace and let the streams of clear waters penetrate you; waters that will wash all dirtiness and gives you back the neatness, luminosity that you lost one day because sin darkens, opaque's the soul.

My Children: lower your eyes and see how candid your heart is. Be careful when you discover that impurity has taken hold. Throw away quick, vague thoughts; thoughts that go against purity because to shelter the Holy Species you must perfume yourselves with the purest nard of candor; virtue of the Holy Angels and of the souls who have made of their life a hymn of praise and adoration.

Proud hearts produce disgust in me; hearts which are enemies for the candid hearts; hearts that know how to embrace the cross and the sacrifice, since they know that to conserve this most beautiful celestial rose, the soul must remain in constant resignation; resignations which will make of his heart a cup of gold, crystalline vessel, mirror of the soul.

Strive to possess it, it is a treasure from Heaven that uproots you from the world but gets you closer to God.

Candor is the aroma of Angels; virginal perfume of my Immaculate Heart.

Candor is soft fragrance that eclipses the heart of pure souls.

Candor is a white lily that adorns the most beautiful garden.

Candor is the dwelling of God because the soul that possesses it enjoys, rejoices with his Divine presence.

III. Chaplet of Protection (Page 8)

Day 17. Convert And Return to the Lord

January 9, 2010 (4:30 p.m.)

Dearest Children: Convert and return to the Lord. It is the only way that leads you to salvation; the other ways are just mirages, false illusions. The Lord has given you plenty liberty, will. He doesn't oblige anyone to follow Him; He only shows His liberating message. He gives you guidelines so you can save yourselves; teachings that you find in the Holy Scriptures.

Holy Book in which the souls who meditated them enjoy now the beatific vision of God.

Holy Book that will take you out of your spiritual ignorance.

Holy Book that you must carry printed in your thought and in your heart.

Holy Book that must be your guide, your book of life.

Convert and return to the Lord: understand that there is no other option. The world walks in the opposite direction of the values of the Gospel. The world is paganized because the true God has been left of being adored and glorified; has been changed for false gods; gods created by man himself; gods with different thoughts than those of Jesus; gods who lead to give cult to Satan; gods which head the souls through wide and spacious ways; ways that open the doors of Hell.

Convert and return to the Lord: don't delay any longer your decision, say yes to Jesus and go and purify your heart in the Rivers of Grace; He will forgive you; He will count you among his elected.

Convert and return to the Lord: accept today my invitation; get rid of your old garments and dress yourselves with new garments; garments which will make you look like princes or princesses because you are children of the King.

Convert and return to the Lord: untie the oppressing straps of the adversary; experience freedom and true happiness. Sin produces confusion of spirit; to be in grace is to live in total peace, even, in the middle of the hardships of life, because the cross cannot be avoided; it is necessary for your purification and salvation.

Convert and return to the Lord: Satan dresses himself as angel of light to deceive or tempt and seduce; it is time that you surrender yourselves to the infinite mercy of Jesus; don't wait for

humanity to feel the just anger of God.

Convert and return to the Lord: each time you have less time left, soon the judgment of the nations will take place; don't be one of those souls that had many opportunities of salvation and did not appreciate them, and now suffer the most terrible torments in Hell.

Convert and return to the Lord: you are living in stormy times, the enemy lurks because he knows very well that he has very little time left; he knows that very soon his head will be crushed by the woman clothed with the sun.

Convert and return to the Lord: don't dally in the works of darkness; the time has come for you to wake up; you are in the times of tribulation and of justice; you must be in a state of grace; leave now your sin, reconcile with God; the little time you have left, pass it in prayer and reparation because the great test is almost about to begin; the birthing pains have started.

Convert and return to the Lord: discern the times; the fig tree will soon blossom and bear fruits.

Convert and return to the Lord: that it does not happen to you as in Noah's time: no one listened to him and because of that, they perished.

Convert and return to the Lord: heed the announcements of the prophets and believe in the Second Coming of Jesus which is very near. The New Jerusalem will soon open its doors.

Convert and return to the Lord: very soon the moment will come that possessing gold or silver, nothing can be bought, only those marked with the number of the beast will be able to buy.

Convert and return to the Lord: very soon you will have a world government; government who will unify the economy, the politics, and the religion into one; government that will convert each country into a jail because you will not be able to enter or go out freely.

Convert and return to the Lord: the tyrant will show himself to the entire world; the seat of Saint Peter will be empty; soon you will see two Popes like in the time of Avignon: a true Pope and another false. Don't let yourselves be confused, be alert: remain faithful to the Sound Doctrine and the Tradition.

Refuge yourselves in my Immaculate Heart through the consecration, so you will be part of the ranks of the Victorious Army; trust always in the mercy of God. He will defend the just; the faithful rest of the Church will be hidden under the folds of my Sacred Mantle so the adversary will not discover you.

Virtue of the Presence of God

God dwells in the pure hearts; hearts that do not have stains, wrinkles; hearts that smell of sanctity. Hearts which are soaked of Heaven. The souls that live in sin keep God away from

their hearts, miss out receiving His graces. They are souls that do not find a sense of life; they are souls that drift from one side to another searching for peace, for appeasement.

God is present in the purified, refined hearts.

God is present in the hearts that go to receive the Sacraments; hearts that seek the nourishment that gives eternal life.

God is present in the sky full of stars.

God is present in the beauty of the garden; garden with many roses; roses of brilliant colors that pleasure your sight; roses of profuse aromas that eclipse you with love by the exquisiteness of their perfume.

God is present in the air; air that penetrates very deep within yourselves and caresses you, pampers you.

God is present in all the carvings and works done industriously so you will be admired by their beauty and perfection.

God is present in your heart; heart that beats, vibrates because you are alive.

God is present in the Tabernacle of Love; Heaven's mansion on earth with many graces.

God is present in man of clean heart; heart that avoids to fall into sin because it knows it is a rupture, loss of divine affiliation.

God is present in the soul that know how to love; soul which gives itself to others without expecting a reward.

God is present in the quietness of the spring; spring that harmonizes with your spirit.

God is present in the soul that has ruptured with the world; soul that with its feet steps in the ground but its heart is adhered to Heaven.

God is present in the soul which mortifies its senses to be able to render glory and praise.

III. Chaplet of Protection (Page 8)

Day 18. Now You Just Have to Pray and Repair

January 10, 2010 (7:14 a.m.)

My Children: I have been reminding you for the last time some of the messages that I have given in several parts of the world, like in La Salette, Akita, Garabandal, and Fatima and among others to my favorite son Stefano Gobbi; but my words have not been completely heard. Only the simple hearts welcome them; keep them with apprehension as fine pearls, as treasures from Heaven.

How I wish that the entire mankind would open its eyes to the reality of the events. Events which

show that: you are in the end of times, the book of Revelation is in the middle.

How I wish: that the entire humanity would be attentive and prepared for the glorious return of Christ; to wake up from its spiritual sleep and start immediately a process of perfect and transforming conversion.

How I wish: that the entire humanity would heed the voice of the prophets who are in this end of times paving ways as Saint John the Baptist, because the Second Coming of the Messiah is very close.

How I wish that the entire humanity would comprehend that the Church will reach soon its Good Friday; Good Friday which will purify it, will test it until it shines in its maximum splendor.

How I wish that the entire humanity would consecrate to my Immaculate Heart and join my Victorious Army. Army that will see the triumph of the United and Trespassed Sacred Hearts.

How I wish that the entire humanity would join to the Apostleship of Reparation. Apostleship which will reduce the strength of the adversary.

Apostleship that will advance the triumph of the Most Sacred Hearts.

Apostleship that will open the doors of the New Jerusalem.

Apostleship that will extinguish the dense layers of darkness that cover the earth.

How I wish that the entire humanity would make many acts of reparation; acts which reduce the just anger of God. Acts that shorten, even more, the time because men run a high risk of getting lost.

How I wish that the entire humanity feels the need to visit the Most Holy Sacrament; a portion of Heaven in which Jesus dwells.

A portion of Heaven frequented and visited very little.

A portion of Heaven desecrated many times.

How I wish that the entire humanity would not doubt any more my apparitions, of Heaven's manifestations; understand that this is the time of Mary and the Holy Spirit.

How I wish that the entire humanity shared, at the foot of the cross, the sufferings of my Son Jesus, because many are the men that wound his Sacred Body with sin.

How I wish that the entire humanity would understand that the hour of the great trial has come because many are the errors which are being spread; many pastors are not attentive to the wolves dressed as sheep; wolves who have introduced themselves in the Church to take it to destruction.

How I wish that the entire humanity would pray for the salvation of the world; world that has touched the bottom of perdition and of extreme impiety.

How I wish that the entire humanity would contribute to the triumph of the Divine Will, living in a state of grace, always doing what Jesus tells you.

How I wish that the entire humanity would find in my Immaculate Heart a safe refuge in this time of tribulation and justice.

How I wish that the entire humanity would prepare itself in prayer, fasting, mortification, and penitence because the great crisis of the Church is getting close.

Soon it will enter in the most sorrowful agony and passion; soon it will be abandoned by many of my children;

soon it will be dyed red because of the blood which will be shed by many of my favorite sons and some faithful laity to the doctrine preached by Jesus.

Soon the punishment lash this pagan world; lawless world without God.

Soon the earth will be purified by a rain of fire; earth that will be completely renovated so in that way, receive the King of the highest lineage dressed in radiance and of glory.

How I wish that, these, my last messages be spread throughout the entire world. It is the last anguished calling for all humanity. These are the last warnings for this time of tribulation and of justice. Your time is ending, the birth pain have started; the son of perdition is getting ready to take the chair of Peter which soon will be empty; you only have left to pray and repair.

Virtue of Serenity

My Immaculate Heart conserved its serenity in each one of the stages of my life, even, in the most sorrowful scenes of the Sacred Passion of my Son Jesus.

I always conserved the calm because when you this virtue is left to be lost, impatience and bewilderment and these are the lethal enemies of the soul; enemies that are like locusts that destroy and kill.

Serenity is gentle wave and refreshing breeze for the aggressive and angry hearts.

Serenity is sweet refreshment for melancholic, sad hearts.

Serenity is soft wind for the restless, confused hearts.

Serenity is a torrent of peace for wounded and ill-fated hearts.

My Little Children: I maintained serenity in the Annunciation and Incarnation of the Son of God. I abandoned myself in its arms and continued my way.

I maintained serenity in the search of the inn in Bethlehem; I did not despair; I trusted in God; I put myself in this venerable hands.

I maintained serenity in the prophecy of the elder Simeon; I kept his words in my Heart and

started my walk.

I maintained serenity in the loss and finding of the Child Jesus in the temple; when we found him, I did not protest before His words; meditating in them day and night.

I maintained serenity in the Crucifixion and death of Jesus; in spite of my sorrow and tears, my spirit did not obfuscate; it remained peaceful.

My Children: do not be upset by the attires of your life; recognize that a restless heart is always a heart that has not received Jesus yet; has not opened its doors to Him; has not allowed Him to enter.

Serenity is presence of God; it is a diamond jewel for who possesses it. Don't lose it; If you lack it, work arduously to acquire it, and once you have it in your hands, keep it in your heart and you will feel full, overflowing of God.

III. Chaplet of Protection (Page 8)

Day 19. I Am The Queen of the Most Holy Rosary

January 10, 2010 (11:20 a.m.)

My Children: I am the Queen of the Most Holy Rosary. Queen that wants to receive from each one of you, bouquets of perfumed roses and of vivid colors.

Roses that I will plant in one of the gardens of Heaven.

Roses that will be cultivated by my most pure hands.

Roses with which I will make a precious crown to put it in your head the day you enter to enjoy the perpetual presence of God.

I am the Queen of the Most Holy Rosary and as Queen of Heaven and of earth, I call you to this daily prayer, simple and fervent prayer; prayer which makes my Immaculate Heart beat of love for all of you; prayer which makes me embrace you with the Flame of my Holy Love. Prayer that widens my Virginal Heart to give you shelter in this end of times because humanity runs the risk of losing itself, because many men have gotten away from the way of salvation.

I am the Queen of the Most Holy Rosary: take in your hands this powerful weapon; weapon that will defeat and chain Satan;

weapon which will redress you of a supernatural strength so you can resist the great trial that is getting closer to you;

weapon which will give you courage to not let yourselves be unnerved in the 42 months in which the son of perdition will occupy the position that does not belong to him; weapon that will maintain you hidden under the folds of my Sacred Mantle, in such a way that it will make you

invisible in front of the adversary and his bloodthirsty army.

I am the Queen of the Most Holy Rosary and I ask you, children of my predilection, to pray daily a crown completely so you will not be confused or deceived the false Christ and the false church.

I am the Queen of the Most Holy Rosary and I call you with urgency and insistence to a crusade of the Holy Rosary. Crusade which prepares humanity for the great warning; warning which is very close, because due to the overabundance and proliferation of sin, time has shortened and God will manifest himself to the entire world with a last gesture of mercy.

I am the Queen of the Most Holy Rosary and extend my invitation to the entire world to pray it because the apostasy is reaching its culmination point; the spreading of error is taking out many of my children from the truth; it's leading them to gestate the great schism, catastrophe for the Church.

I am the Queen of the Most Holy Rosary and I insist to you in, this, my favorite prayer, prayer which is prayed very little in the family because the television and the internet are the black boxes of the homes; are the open doors that will lead to hell an undetermined number of souls.

I am the Queen of the Most Holy Rosary and I convoke all the enlisted soldiers of my Victorious Army to battle against the red dragon and the black beast so that together we will weaken them because the Holy Rosary is a lethal weapon for the evil spirits.

I am the Queen of the Most Holy Rosary, pray it with your lips, with your heart; it is the best defense against Satan. I remind you: legions of demons have been let loose from hell to seduce and deceive.

I am the Queen of the Most Holy Rosary, remain in my presence with this beautiful prayer, the Holy Rosary. The souls marked by Jesus, by Saint Michael Archangel or by me must be very devoted to the Holy Rosary, which will make you holy; devotion which will give you the grace of rejecting the mundane and sin.

I am the Queen of the Most Holy Rosary, pray it frequently because the warnings of Heaven will cease; warnings which are listened very little by men; the world is doomed to the great purification; purification which will transform the earth; nature will return to its first order, for which it was created.

I am the Queen of the Most Holy Rosary, I tie the elected with this prodigious chain of love; the adversary will pursue cruelly my faithful rest; will mistreat in a merciless way all who profess to be Eucharistic and Marian souls; but do not have fears; consecrate yourselves to my Immaculate Heart that I will defend you against the evil one; will crush the head of the snake with

my heel.

My Dearest Children: pray the Holy Rosary so you will weaken Satan. He won't be able to attack any of my children because I will shelter them against all snares.

Pray the Holy Rosary; I remind you: it is the powerful weapon that will chain Satan in this end of times; it is the powerful weapon with which you will defeat him; it is the powerful weapon with which you will advance the triumph of my Immaculate Heart and the Kingdom of the Sacred Heart.

Virtue of Divine Will

Let Jesus act in your life; give Him your heart so He can be the one to show you the shortcut to Heaven's entrance. Heaven which is open; Heaven with many dwellings, dwellings equipped for all the souls that lived in the Divine will.

Souls who died themselves; souls who surrendered themselves to the Divine Love.

Souls who acted moved by the breath of the Holy Spirit.

Souls who renounced to their human will to give free rein to the Will of God.

Souls who desire Heaven.

Souls who know that to enter into it (Heaven), must leave attachments; must get free from the ties, and fly towards an encounter with Him.

Fulfill with the Holy Will is to resemble Jesus, beloved Son who was obedient until death; Beloved Son who did not dare to say no. Because He did not want to grieve his Father. Eternal Father who for love to humanity descended Him to earth as Redeemer, as Divine Victim soul that would offer himself in a perennial holocaust of love. Beloved Son who did not distort God's Plan. He reached the summit of his offering.

He also called you to do the same, to imitate Him and Me. We continued in our way in spite of the difficulties; we knew how to embrace the cross; we had strength in carrying it on our shoulders with dignity; from our lips, no reproaches were heard. We accepted God's Plan in spite of our suffering.

Fulfill the Divine Will and you will receive a reward, reward of glory, reward that you will not find in earth, you will find it in Heaven.

Fulfill the Divine Will and you will make yourselves creditors of a golden award.

Fulfill the Divine Will and you will start smelling to Heaven.

Fulfill the Divine Will and your being will be full of light because the light of God will invade you, making you alike to the shine of a star.

III. Chaplet of Protection (Page 8)

Day 20. Prepare Yourselfes to the Second Pentecost.

January 11, 2010 (7:00 a.m.)

Dearest Children: The Second Pentecost will come because some souls have offered themselves as victims, as tiny lighting arresters of the great Lighting Arrester, who is Jesus Christ, Divine Victim.

The Second Pentecost will come because my Victorious Army will always remain standing; the adversary will never be able to bring it down.

The Second Pentecost will come as whispers of a soft breeze;

Breeze that will moisten the arid land;

Breeze that will transform the desert into a spring of abundant waters;

Breeze which will make dried and wilted valleys to flourish;

Breeze which will give greater greenery to the trees;

Breeze that will serve as fertilizer so the crop gives abundant fruits.

The Second Pentecost will come to purify the Church.

Church that will turn transparent, clean.

Church that will live humbly and poorly.

Church that will imitate the virtues of its Virginal Mother.

The Second Pentecost will come for Jesus to restore his Kingdom of love among us.

Kingdom which is not like the ones of earth; his kingdom is a kingdom of peace and of justice; kingdom of mercy and infinite kindness.

The Second Pentecost will come to give the world the order for what it was created; the actual world: is away from the laws of God, secularized, headed to the achievement of pleasure and of material goods.

The Second Pentecost will come and the Holy Spirit will descend with momentum and force so Jesus will be greatly loved and known.

The Second Pentecost will come because there will be only one flock and only one Shepherd. I, as Mother of the Church will continue guiding the lives of my children.

The Second Pentecost will come once the Church has been purified and renovated by great sufferings; when I crush with my heel the head of the snake; the doors of Hell will be closed; and the new world will live as if sin did not exist.

The Second Pentecost will come to liberate the world from the yoke of sin and of Satan; liberation that will happen through the great purification and the punishment; purification that will

give an end to the sinful humanity. Purification that will open the doors of the New Jerusalem. Purification that will return to the first order of creation, because very soon you will see new heavens and new earth.

The Second Pentecost will come to give death to the red dragon and the black beast, because the Church after having passed through a horrible crisis will be reborn; will shine in its fullness.

The Second Pentecost will come because a beloved portion, the faithful rest, will not let themselves be shaken by the strong storms or by the gusty winds that will blow over it. I will hide them in my Immaculate Heart; I will hide them from the adversary; I will conserve it intact, pure.

The Second Pentecost will come because the purification is necessary for the Church; the Second Coming of Jesus is urgent. Many souls will condemn themselves if the time is not shortened.

The Second Pentecost will come because many are the souls who do not heed the calling to conversion; many are the souls that despise the Sacraments; many are the souls that hurt the Most Sacred Heart of Jesus with their sins, with their disobedience to the Divine laws and mandates.

The Second Pentecost will come after the Church has passed by a Good Friday; Good Friday that will take it to its maximum purification; Good Friday that will sink it in deep suffering to take it to the highest level of perfection.

Beloved Children: prepare yourselves for the Second Pentecost. Consecrate yourselves to my Immaculate Heart by belonging to the Victorious Army of the Triumphant Hearts.

Prepare yourselves for the Second Pentecost by promoting the Apostolate of Reparation. Apostolate that united to the consecration will put forward the triumph of my Immaculate Heart. Triumph which will happen at the same time of the Second Coming of Jesus.

Prepare yourselves for the Second Pentecost by adoring Jesus present in the Sacred Eucharist. Eucharist which will give you strength in this time of tribulation. The Eucharist will give you courage to confront the great test; test that will involve the entire humanity; test that will precede the New Jerusalem.

Prepare yourselves for the Second Pentecost by praying the crown of the Holy Rosary; crown that will redress you with grace so you will not cede to temptation and, therefore, to sin; crown that will drive me to protect you as a good mother takes care of her children; crown which will unite your heart to my Immaculate Heart so in that way, you will feel my presence in the dark days that await you.

Virtue of Contemplation

Rejoice yourselves in the Lord and enjoy the true bliss.

Rejoice yourselves in the Lord and inhale its fragrant nard.

Rejoice yourselves in the Lord and your spirit will fly to Heaven.

Rejoice yourselves in the Lord and your heart will inflame with love by its presence.

My Little Children: avoid distraction, noise; penetrate in the thickness of the Sacred Heart and rest in Him. Listen to his heartbeats; heartbeats which are like celestial symphonies that lull you; heartbeats which are like songs of Angels which are soft melody; heartbeats which are murmurs of Our Lord so you will love, adore, praise, and glorify Him. Don't think about anything. Silence yourselves interiorly and exteriorly. At the beginning, it will be hard but you will start learning until you are a contemplative soul.

In contemplation you can speak to Jesus from heart to heart. He will speak to you in the depths of your heart.

In contemplation, you leave the earthly realm to enter deeper into the celestial sphere.

In contemplation, the Holy Spirit will blow on you stronger, will descend with momentum; will cover you with his silver wings.

In contemplation you forget time; the clock ceases, stops striking the hour; you cross the threshold of eternity.

Be then collected souls; souls who will ask for my intercession so the Lord will grant you this virtue.

When you are praying disconnected from the world that prayer is a dialog, a mutual encounter of love.

Be gallant, reverent, awed in the Lord; feel Him in your heart; cover Him with your kisses. You are in Him and in front of Him. Do not let anyone steal this beautiful moment from you. What is today, tomorrow could be an illusion, a mirage, a dream.

Contemplation is rest, quietude, an ecstasy of love.

Day 21. I Am The Queen of The Family.

January 12, 2010 (7:00 p.m.)

My Children: Give pleasure to my Immaculate Heart by turning yourselves completely to God; God who is extremely compassionate and merciful with the sinner. God in whom you can find all

complacency.

Give pleasure to my Immaculate Heart and open the doors of your home to me that I Am the Queen of families; families that must transform in a second home of Nazareth with a little touch of my maternal love; families that must remain united, tied sweetly to our Most Sacred Hearts; families in which dialog, tolerance, and mutual respect must be primary; families that must be a school of values because it is here, the domestic church, where you construct, you build the project of the children.

I Am the Queen of the family and call you to marital fidelity; do not make your marital bed nests of demons, because adultery is the open door that has taken many souls to eternal condemnation; there, in hell, this sin is punished with maximum cruelty because marriage is a sacrament, a source of grace for the sanctification and salvation.

I Am the Queen of the family. Queen that asks you for a place of importance in your home. Queen that must be honored with her favorite prayer, the Holy Rosary. Rosary that, prayed in family, unites you in an agape love; the enemy will not be able to enter into the center of the family, because with the prodigy of this prayer, the doors and windows are closed; torrents of blessings will rain to you from Heaven as whispers of soft breeze, because you will have as intercessors: the celestial court during your lives and at the hour of death.

I Am the Queen of the family which will grant you a special grace, if you heed my call, because Satan has entered into your homes through the television and the Internet; he is breaking up your unity; he is stealing your time so you will not pray; he entertains you subtly to take you out from the things of God.

I Am the Queen of the family. Queen that wants to perfume your house with her presence. Queen that wants to preserve you from the adversary because he pretends to destroy and finish with the families; families who are losing identity; families in which the spirit of division has entered. Families in which the spiritual and religious values are cultivated very little.

I Am the Queen of the family. Family that, in this end of times, is being semi-destroyed by the influence of modernism; is being tinted with darkness, because many parents have lost authority over their children; children who want to govern themselves; children who lack the paternal or maternal figure; children who have been called to live in a time of heavy with confusion because you are in the time in which the good is called bad and the bad, good.

I Am the Queen of the family and I bring you a hopeful message: very soon my Immaculate Heart will triumph; very soon, very soon you will see new heavens and new earth; very soon you will see the woman clothed with the sun crushing the head of the snake with her heel; that's

why, my children: heed my call to conversion, return to the bosom of the Father. He awaits for you to embrace you as prodigal sons. He awaits for you to remove your beggar's clothes which you are wearing and dress you with new clothes. He awaits for you to receive you with a great feast; feast because you have returned to his Paternal lap; feast because you have responded promptly my request; feast because at last you have reacted, woke up from your sleep, you proposed to make of your family a reciprocal encounter of love; tent of encounter because God dwells there. There among the Holy Angels who adore him. Saint Joseph is there providing the bread; there I Am covering you under the fringe of my celestial mantle and giving you solid food; because once you started the process of consecration to my Immaculate Heart and are making yourselves more mature in the faith; you are forming part of my Victorious Army; you are receiving the armor of God so you will battle as private soldiers; you are receiving the brand of God's elected.

Dearest Children: return to God. Don't change the laws of God. Live according to his precepts. Legalize the irregular unions under the Sacrament of Matrimony. Don't put in high risk your salvation. Don't sadden any more the Most Sacred Heart of Jesus. Consolidate the families according to the Holy Wish of the Lord. The adversary, Satan, wants to dissolve them. He influences in the hearts of men so permissive laws are accepted and promoted. Pernicious laws that lead to moral degradation, to the distancing with God because Heaven will never approve laws which are contrary to the teachings of the Divine Teacher.

Virtue of Truthfulness

Walk through the paths of my Holy Love. Paths adorned with roses of splendid colors. Paths in which renouncements, notorious changes are requested of you. Narrow paths that lead you to Heaven. Paths through which you will be going up through summits, summits to sainthood.

If you opt to live in one of the Abodes of my Holy Love, you must take out of your heart the ugly vice of lies; vice which makes you similar to Satan because he is the father of it; vice which will bring you problems; vice that will make you imitations of the devil; vice which is a mortal sickness that kills you in life; vice that takes the light from your heart; heart that loses its beauty, its freshness; heart that loses the aroma of Christ since lies produce a nauseating, deadly odor.

My Children: talk always with the truth. Christ died for the truth. For the truth, many of the saints that enjoy today the beatific vision of God in Heaven were martyrs of the great love of the Divine Love.

Truth makes of your heart a stream of clear waters, limpid.

Truth gives you shine, light, it's like a light that one possesses.

Truth is like the early dawn in the morning in which darkness is diluted to give way to the clarity of the day.

Truth is like the radiant sun in your heart, sun which covers you with its splendor, shelters you with its potent rays.

Why lie, my children, if you are children of the truth?

Wear it hanging around your neck as if it were a necklace of fine pearls. Wear it well kept in your heart as if was your greatest treasure. Wear it in your lips as if it were sweet honey. Wear it in your thoughts as the only reason to exist.

Do not deceive yourselves, recognize that pious lies do not exist. Always act as is light in full day.

Truth is wisdom, courage.

Day 22. My Lessons, Professorships of Wisdom

January 13, 2010 (6:10 p.m.)

Dearest Children: Come to my maternal school: Mary, Teacher of the Apostles of the Last Times, calls all of you because I want to form you with my lessons of love; lessons which will make you more holy, more solid in the faith; lessons that will bring you out of your spiritual ignorance; lessons which will show you the way towards the truth; truth because it is pure, sound doctrine; truth because it does not contradict in anything the Teachings of the Church and the Sacred Scriptures; truth because they are my words; words that you must taste as an exquisite delicacy. Words that are sweet honey for your heart; heart that must be open to the promptings of the Holy Spirit; heart that must transform itself into a chest of fine gold that keeps precious stones; treasures of great value; since a simple and humble souls takes each one of my lessons of love as the greatest riches that a man on earth can possess.

My Children: take this preparation, the consecration to my Immaculate Heart, as a great lecture of Divine Wisdom. Wisdom imparted by Mary, Teacher of the Apostles of the Last Times, because this is my mission: to teach you the way to Heaven; prophesize the events that are about to happen, because everything that is written will be fulfilled, to its end.

In addition to being a good mother for all of you, I Am Teacher of the Apostles of the Last Times. Teacher who has been appointed by Heaven for this decisive time in the history of humanity. Humanity which will have to walk in opposite direction to the world. Humanity that

must return to Jesus because very soon, it will be purified, renovated. Humanity which has been warned, prepared because, relatively, you have very few time left to see the Lord, glorious in his Throne. Relatively, you have very little time left so you will see how the doors of the New Jerusalem open. Relative, you have very little time left for the triumph of my Immaculate Heart.

Beloved Little Children: Convert from your heart to the Lord; the men of these times are hard-hearted; they are skeptical of the great mysteries of Heaven because science has turned them empirical, rationalists, and, even, fundamentalists. Be like children and follow my voice, walk after my perfume; don't be afraid because nothing will happen to you; I will shelter you under the folds of my sacred mantle because I know you will suffer cold; I will hide you in of the abodes of my Virginal Heart because I know you will be persecuted, slandered, abused.

Consecrate to my Immaculate Heart because the powers of Hell will not prevail in spite of the disobedience of some of my favorite children.

The Pope, first representative of Christ in earth, will continue being the maximum authority for the Church. Infallible authority.

Authority that must be obeyed by the entire ecclesiastical hierarchy.

The powers of Hell will not prevail, even if the apostasy has spread error indiscriminately, error that has sown doubt and uneasiness in the heart of many of my children.

The powers of Hell will not prevail, even if it seems that evil has triumphed over goodness; God's forces are potent, indestructible, and eternal.

The powers of Hell will not prevail; Saint Michael, Prince of the Heavenly Host, is getting prepared to descend to earth at the sound of trumpets. A prince who with his sword will defend the Church, protect the faithful rest.

The powers of Hell will not prevail; Satan and his minions will be sent to the abysms of the deepest Hell.

The powers of Hell will not prevail; my Victorious Army will defeat them; will combat them with the most powerful weapon of the Holy Rosary; weapon that will weaken them; will diminish their strength.

The powers of Hell will not prevail; still, in the moment in which the Church passes through the Good Friday. I, whom is their Mother, will be present to console it, because one it has passed through the birth pains, it will reach its maximum splendor.

The powers of Hell will not prevail; because the pain and the suffering gestate a new birth, a new humanity.

The powers of Hell will not prevail; because the "woman clothed with the sun" has started a

great battle; battle which will dissipate the darkness so Christ's light will shine through all parts; battle in which the Church will walk in the truth, in fidelity, and in unity; battle that I Am carrying forward through you, faithful rest.

Virtue of Chastity

You are live temples of God; you are dwelling of the Holy Spirit. You are created in the image and likeness of God. You are making of his venerable hands. So, therefore, my children, you must make of your body a tabernacle of Divine Love; cup of purity because you were born for the spiritual joy, for the enjoyment of the true life in God. Do not defile your body.

The sins of the flesh offend God gravely.

The sins of the flesh deform you; turns you into monsters.

The sins of the flesh bring you unspeakable sufferings in eternity.

The sins of the flesh erase the shade of God that you received one day when you were conceived in your mother's womb.

The sins of the flesh consume you slowly until you remain covered in the mere bone. Go and purify your heart in the Rivers of Grace. Do reparation, mortification, and penitence for the times you made your body a motel of pleasure, spawn of Satan.

Go and purify your heart in the Rivers of Grace for the times you made of your body cheap merchandise, site of prostitution.

Chastity, my children, is a virtue which surrounds you with a crown of lilies in your heart.

Chastity, my children, is a virtue which gives you candor, purity.

Chastity, my children, is a virtue which gives you an odor of sanctity, exquisite fragrance from Heaven.

Chastity, my children, is a virtue which covers your body of white garments.

Chastity, my children, is a virtue which makes of your heart a perfumed lily.

Chastity, my children, is a virtue which will affix on you Angel's wings.

Chastity, my children, is a virtue which gives you an exquisite fragrance; odorous perfume which is proof that God dwells in your heart, that you are carriers of the infinite purity, that you are crystalline vessels, clean vessels without blemish.

III. Chaplet of Protection (Page 8)

Day 23. I Am Mother of the Adoration and the Reparation.

January 14, 2010 (10:15 a.m.)

Beloved Children: Jesus has remained with you in all the Tabernacles of the world. He is alive,

present in the Consecrated Host; his Eucharistic Heart pounds and beats of love; his sweet prison is embellished by the cortege of Holy Angels who adore Him; Angels who sing the most beautiful hymns to sound of lyres and harps. Angels enraptured before the greatness of the Lord. Angels who have understood the great mystery of Jesus of being perpetual in the Consecrated Bread until the end of times.

Jesus in his overflowing love for all humanity, decided to make the Tabernacles, small parcels of Heaven on earth. Parcels which are like the Garden of Eden because in it blooms a white lily, perfumed; lily which will attract many souls to take care for it and cultivate with fertilizer of adoration and reparation. Fertilizer which will serve you as benefit for your spiritual growth; because when you stop praying, the earth of your heart turns infertile, arid, now it does not produce abundant crops; the underbrush starts to destroy, to infect the few healthy fruits.

My Dearest Children: In the Tabernacle you will be able to find Jesus, feel Him; there I render honors and homage that the creatures do not give him. There I pray for all of you; I beg for mercy for all humanity because I Am the Mother of Adoration and of Reparation. Mother who adores the God One and Triune, present in the Holy Host. Mother who adores the Savior; the Emmanuel that I carried in my most pure womb. Mother who adores the Messiah who will arrive soon for a second time, dressed with honor, with majesty, and with glory. Mother who adores the Son of God, the incarnate Verb who was made man to redeem the sins, to give you salvation, and eternal life. Mother who very soon you will see dressed with the sun to give the final battle, to crush the head of the snake with her heel. Mother who forms you in the squadron of the Victorious Army because the powers of Hell are many that want to pervert the world, want to seduce it with false cajolery; want to distance them from God to later reclaim the trophy of their souls and take them to the abyss of Hell, to the grinding and gnashing of teeth, the eternal fire.

I Am Mother of the Adoration and the Reparation and I beg you to ask for forgiveness because the sacrileges, the desecration against the Eucharistic Mystery of Jesus. Mystery that not only holds the Grace but the very author of Grace, Jesus Christ, who is the same Holiness.

I Am Mother of the Adoration and the Reparation because in the Holy Tabernacle is Jesus as Divine Victim for all of you; pay Him for this great gesture of love by turning your eyes and heart to Him, loving for those who do not love Him, adoring Him for those who do not adore Him, because many are the ungrateful who despise Him.

I Am Mother of the Adoration and the Reparation: Jesus dwells in his Tabernacle; go and give all honor and glory because he is King of kings, the Lord of lords who finds himself sad and

solitary, because the sin of men have darkened the world; the sin of men make the cup of the Eternal Father overflow in his just anger; the sins of men will submerge the Church in a horrible consternation.

I Am Mother of the Adoration and the Reparation: The Eucharist is the invention of love which will maintain you standing in this time of tribulation. If you do not frequent this sacrament, if you do not nourish yourselves with the Body and the Blood of Jesus Christ, you will not endure the test; test that will make to tremble, even, the elected themselves; test in which only the third part of humanity will remain because the world will be purified, renovated.

I Am Mother of the Adoration and the Reparation because the Mystical Body of Christ is being divided, fragmented; repair for the unity of the Church.

Repair so all the men will return to God.

Repair so the messages that speak about the end of times are not rejected.

Repair so the prophecies that announce the Second Coming of the Lord be accepted with love, without fear, without misgivings.

I Am Mother of the Adoration and the Reparation that is joining the elected into one flock, whose only shepherd is Jesus.

I Am Mother of the Adoration and the Reparation: consecrate yourselves to my Immaculate Heart that I will awaken in you the desire to love, adore, and glorify Jesus alive in the Most Holy Sacrament of the Altar. Sacrament of Love for the simple, the little ones.

Virtue of Peace

Interior peace is the virtue that produces in the soul joy, fulfillment, joy of the spirit, calm, and tranquility.

Interior peace is the presence of God that must remain in you; will live with you because all the members of your body will enjoy health, balance.

Interior peace is not bought or sold and it is a virtue which you must build with your own hands; you are builders of your life, of your destiny; it is up to you to live in harmony with yourselves, to enjoy of everything that is around you, that you take the greatest advantage to each situation, that you live in continuous celebration, spiritual jubilation.

Interior peace is delight, overflow of the love of God. Because the soul that possesses this virtue enjoys harmony with itself; considers life as an undeserved gift, like a maximum adventure, unique and unrepeatable.

Interior peace produces in you such a relief, that your soul elevates itself towards Heaven to

enjoy, beforehand, the delights on earth.

Interior peace is a golden gate for the exterior peace. Peace that harmonizes your surroundings. Peace which is candy from Heaven for the souls. Peace which unites in love, in fraternity. Do not lose it. Close the doors of your heart so the confusion doesn't alter your spirit; it would be chaotic for your life. It is an enemy too dangerous because: once it come in, it blights and adheres itself like sticky jelly; it causes devastation to your heart turning it gloomy, languid, melancholic, sad, hot-tempered, and troubled.

My Children: is your heart lacks peace: go and run to its encounter; desire it like the dry earth longs for rain; desire it like the caged bird desires to recover his liberty; desire it like the sunflower needs the sun to live.

III. Chaplet of Protection (Page 8)

Day 24. You Must Be Like the Prudent Virgins.

January 15, 2010 (6:30 a.m.)

Beloved Children: I call you again to a conversion of heart; to turn your eyes to God; you will only attain salvation in the measure of your surrender to the Lord.

Legions of demons were released from Hell to seduce the souls and lead them to sin; you are in a crucial time of history because the good is called bad and the bad, good. Men are walking loose in their low passions, running at a rapid speed which will lead them to the abysses of Hell; a trip without return in which the condemned souls will suffer terrible torments because the disobedience to the divine laws bring dire consequences.

Heed the warnings of the true prophets; pay attention to my last calls; it is time now that you take my Marian warnings very seriously; warnings in which I show you extraordinary signs of my presence among you; but men attack the supernatural phenomena emitting arguments and human rationalizations; it is difficult for them to accept that this end of the times is the era of the Holy Spirit and of my Maternal manifestations. They do not want to understand that God communicates himself in different ways with his creatures, that the Divine Mysteries are unfathomable and inscrutable.

My Dearest Children: My mission as Mary, Teacher of the Apostles of the Last Times is of teaching you the way that leads you to Heaven; to reveal to you the prophecies that will have to be fulfilled because the entire world will be renovated in its fullness. Prophecies announced since old by mouth of the holy prophets; prophecies that will stop being speculation because everything that is written will be fulfilled literally; even if some theologians do erroneous

interpretations of the Word, reducing the Book of Revelation to a mere game of words and perfect handling of literary figures.

That's how, my children, that Mary, Teacher of the Apostles of the Last Times, prepares you to remain watchful as the prudent virgins that await for the arrival of their spouse with the lamps lighted and with a good ration of oil; virgins who fear that the doors are closed to them and they cannot be in the invitation of the nuptial wedding.

You, private soldiers of the Victorious Army of the Triumphant Hearts, keep the lamps of your heart lighted because many are the events; the tests through which humanity will pass are very hard; the time of tribulation and of justice has already started; the purification of the world is on its way through the rain of fire.

You, private soldiers of the Victorious Army of the Triumphant Hearts, keep the lamps of your heart lighted because many are the unbelievers of the Second Coming of Jesus; many are the sceptics to my messages, to my prophetic announcements; humanity has closed its ears to my words, has covered its eyes to one reality, has hardened its heart to the manifestations of the Holy Spirit, and when the day comes and the hour fixed by Heaven, it will catch it off guard, lost in sin, away from God.

You, private soldiers of the Victorious Army of the Triumphant Hearts, keep the lamps of your heart lighted because Satan has declared victory by seducing and deceiving many souls by taking them to hell. That's why, my children, time has been shortened; the announced events by the prophets will take place very soon; the great warning will checkmate all humanity.

You, private soldiers of the Victorious Army of the Triumphant Hearts, keep the lamps of your heart lighted and repair because the sins of men have overflowed the cup; soon the chastisement will let itself be seen and felt; many souls will perish.

You, private soldiers of the Victorious Army of the Triumphant Hearts, keep the lamps of your heart lighted, let yourselves be taken by my virginal hands because a strong storm is about to hit the Church; many of my children will separate from the truth; they will go after the fleeting compliments of the false Christ and of the false church.

You, private soldiers of the Victorious Army of the Triumphant Hearts, keep the lamps of your heart lighted because very soon the Most Sacred Hearts will triumph; very soon, the adversary will be sent to Hell.

Virtue of Fidelity

Fidelity is a virtue that adorns the pure heart; adorns the radiant heart as the sun's light.

Fidelity leads you to be genuine; leads you to always speak with the truth.

Fidelity gives you such whiteness, to your hearts, that it is similar to a snowflake and the finesse of cotton.

Fidelity is a virtue which surrounds you with a crown of perfumed white lilies because fidelity is the way that leads you to Heaven. Be faithful to everything that God has given you and be faithful to all the extraordinary graces that you have received from the Lord Jesus.

Fidelity is a total donation to the Merciful Love of the Lord.

Fidelity is total and definite rupture with sin.

Fidelity is annihilation with Heaven; to break the chains that yoke you, break the chains that enslave you. Be faithful as I was.

Beloved Children: from the very instant, from the very moment in which the Angel Saint Gabriel announced to me the incarnation of the Son of God, I knew how to keep my Fiat; I knew how to maintain myself in my word. I didn't doubt even one moment the Merciful Love of God, of his Divine protection, and of the affiliation He had done with me, humble servant of the Lord.

The unfaithful will not inherit the Kingdom of Heaven.

The unfaithful dig in life the infernal abyss.

The unfaith dye their lives red, meaning, they are marked with Satan's seal to be sure prey the day they exhale their last breath here in earth.

Unfaithfulness is a grave sin.

Beloved Children: reject at all costs this horrible sin that brings unspeakable sufferings in eternity.

You must be faithful in the state in which God has called you to be. If you are united under the Sacrament of Matrimony: be faithful to your spouse; if you are called to a priestly or religious vocation: be faithful to your vocation to which God called you. Work this virtue with integrity, with ardor which adorns very few souls in earth. You, my children, strive to walk through narrow, stony ways; ways adorned with many roses but also with very many thorns; thorns which prick you; thorns which wound you. But it is so you are able to enter the Kingdom of Heaven, you must be refined like gold and silver.

III. Chaplet of Protection (Page 8)

Day 25. I Am the Dawn and I Announce to You the Great Day of the Lord.

January 22, 2010 (7:30 a.m.)

My Dearest Children: I Am the dawn that rises to announce the great day of the Lord. Dawn that ask you to raise your petitions and prayers to Heaven because men have drifted away from the

Lord; they have let themselves be seduced by heretical thoughts, anathema, by strange and bold philosophies that abstract them from the truth.

I Am the dawn that rises to announce the great day of the Lord.

Dawn that asks you to remain with your eyes wide open, because the apostasy is slowly crumbling the Church; the spread of errors is more each time; error which leads to deny the truths of the faith and to question the Sound Doctrine and the Teachings of the Church.

I Am the dawn that rises to announce the great day of the Lord.

Dawn that calls you to consecrate yourselves to my Immaculate Heart; consecration that will delve in the ranks of my Victorious Army. Army which is captained by this humble servant of the Lord. Servant who will lead you through the ways of God; servant that will teach you the way so you will defeat the enemy. Servant which will cover you under the folds of her Sacred Mantle. Servant who will hide you in her most pure Heart so the adversary won't drag you to the abyss of perdition.

I Am the dawn that rises to announce the great day of the Lord; day which will be preceded of events that will show you that you are in the end of the times; times of tribulation and of justice; times in which a hidden schism is being prepared that will be discovered and proclaimed soon.

I Am the dawn that rises to announce the great day of the Lord; but before God will send two punishments: one through wars, revolutions, and diseases. And the other will be sent from Heaven, an intense darkness that will last three days and three nights; days in which the enemies of the Church will die; days in which the demons will come out from the depths of Hell with terrible and horrific appearances.

I Am the dawn that rises to announce the great day of the Lord; day in which the Heavens will tremble; day in which lightning and flashes will fall on earth as never seen before in the world.

I Am the dawn that rises to announce the great day of the Lord; day in which I will shine in these last times to attract the greatest number of souls to a life of grace. Souls that will be saved because they will be protected under my maternal protection; souls who will be chosen by the Remnant Church; souls that, some of them, have been elected for the New Jerusalem, for the new Heaven and the new earth.

I Am the dawn that rises to announce the great day of the Lord; day which is only known by the Eternal Father; day in which the Lord will come unexpectedly and the entire world will not be prepared to receive Him; day that will come to restore his Kingdom on earth.

I Am the dawn that rises to announce the great day of the Lord because very soon He will come to purify and to transform the entire earth; very soon, He will come to defeat Satan and send

him to Hell with all his minions; very soon, He will come with all his splendor and glory to reign for years to come.

I Am the dawn that rises to announce the great day of the Lord. The process of purification will not be delayed any longer; the great catastrophe is getting closer to you; catastrophe less strong by the prayers and sacrifices of the victim souls in all the earth; souls who are small lighting arresters of the Lighting Arrester, who is Jesus Christ, Divine Victim.

I Am the dawn that rises to announce the great day of the Lord. Very soon I will descend clothed with the sun to crush with my heel the head of the snake; soon my Immaculate Heart will triumph and the Sacred Heart will reign eternally.

I Am the dawn that rises to announce the great day of the Lord because soon peace and love will reign; very soon there will be only one flock and only one shepherd; very soon the earth will turn into a beautiful garden; garden in which all men will give honor and glory to the Holy Name of God.

I Am the dawn that rises to announce the great day of the Lord. His Second Coming is near; my Victorious Army will defeat the red dragon and the black beast; my Victorious Army will be sealed in the forehead and in the hand, meaning, the intellect and the human activity; seal which will put you in the faithful rest of the Church. Rest that will be defended by Saint Michael Archangel and protected by Mary, Mother of God and your Mother.

I Am the dawn that rises to announce the great day of the Lord; day in which you will see great signs in Heaven; signs that announce to you His Second Coming.

Virtue of Discreetness

Discreetness is a virtue which makes you silent; it is a virtue that makes you prudent; it is a virtue which makes you pleasant for the brothers that you have around you.

Discreetness is niceness of the heart; it is softness of the soul, and it is refreshing for the spirit that possesses it.

Discreetness is the virtue which adorns your heart of svelte sunflowers; sunflowers that are a sign of the presence of God. They are signs of the creating hands of the Maker of Heaven.

Discreetness is the way which leads you to the acquisition of Wisdom. Wisdom that you do not find in the books.

Beloved Children: you only find it in the Holy Scriptures.

Ask the Lord to adorn you with this most precious virtue.

The souls that possess it, possess a great treasure of Heaven in their lives.

I conserved discreetness in my life, in no moment I showed myself as the Mother of the Lord, as the Mother of the Savior, as the Mother of God. I kept silence in front of the words in the moment of the Annunciation. I kept silence in the birth of my Son Jesus. I kept silence in many of the events of the supernatural life of the Son of the Most High.

God adorned my Heart with this most precious rose from Heaven: the virtue of discreetness.

“The kiln tests the potter’s; so a test of a man is in his reasoning; the tree discloses the cultivation of a tree; so the expression of a thought discloses the cultivation of a man’s mind. Do not praise a man before you hear him reason, for this is the test of men. If you pursue justice, you will attain it and wear it like a glorious robe. Birds flock with their kind, so truth returns to those that practice it. A lion lays in wait for prey; so does sin for the workers of iniquity. The talk of the godly man is always wise, but the fool changes like the moon. Among stupid people watch for a chance to leave, but among thoughtful people stay on. The talk of fools is offensive, and their laughter wantonly sinful. The talk of men given to swearing makes one’s hair stand on end, and their quarrels make a man stop his ears. The strife of the proud leads to bloodshed, and their abuse is grievous to hear. Whoever betrays secrets destroys confidence, and he will never find a congenial friend. Love your friend and keep faith with him, but if you betray his secrets, don’t run after him. For as a man destroys his enemy, so you have destroyed the friendship of your neighbor. And as you allow a bird to escape from your hand, so you have let your neighbor go, and will not catch him again. Do not go after him, for he is too far off, and has escaped like a gazelle from a snare. For a wound may be bandaged, and there is reconciliation after abuse, but whoever has betrayed secrets is without hope. Whoever winks his eye plans evil deeds, and no one can keep him from them. In your presence his mouth is all sweetness, and he admires your words; but later he will twist his speech and with your own words he will give offense. I have hated many things, but none to be compared to him; even the Lord will hate him.” (Sirach 27:5-24)

See, my children that the Holy Scriptures teach you to live; teach you how to behave. That’s why, my little ones, be very discreet in your talk and you will find finesse. Be discreet in your talk and you will find joy. Be discreet in your talk and you will find an invaluable treasure.

III. Chaplet of Protection (Page 8)

Day 26. I Am the Mother of the Second Coming.

January 25, 2010 (6:20 a.m.)

Beloved Children: respond to my call; don’t shut your ears any longer to my voice; do not throw

away my messages; discern them under the light of the Holy Spirit, and see that my words do not contradict the Holy Scriptures and, much less, the Teachings of the Church.

Leave now your spiritual pride; it won't be any use to you in this decisive and close time to the next coming of the Lord; don't give Satan pleasure; he makes you doubt; he makes you feel rejection to the manifestations of the Holy Spirit, and because of that, you hesitate, you don't decide to give yourselves completely to Jesus.

My Children: don't leave for tomorrow what you can do in this very instant. Convert yourselves from the heart; turn your eyes to the Father; go towards Him with the mud of your life, with the rags of your sins so you can be purified, regenerated, transformed.

I am your Mother, let yourselves be taken by my virginal hands and I don't want to lose you because the suffering is much that awaits the souls that fall into the depths of Hell. The absence of God is the worst punishment, united to the guilt of conscience for not having taken advantage of the opportunities of salvation.

My Dearest Children: consecrate yourselves to my Immaculate Heart; receive the seal in your forehead and in your hand; make yourselves private soldiers of my Victorious Army. I will supply you with God's armor. I will be your Captain and I will not allow that the adversary harms you. Saint Michael Archangel, Prince of the Heavenly Hosts, will cover you with his cape and will defend you with his sword.

Besides being your Mother, I am the Mother of the Second Coming. Mother who prepares the way for the soon arrival of the Lord; each day that passes in a getting closer to this great day of majesty and glory.

I am the Mother of the Second Coming; Mother who leads you to conversion of heart; heart that will be healed of all spiritual sickness and of any pain.

I am the Mother of the Second Coming. Mother who instructs you as Teacher of the Apostles of the Last Times, so that before the Second Coming of Jesus, it won't surprise you lethargic, sleepy; the time has come for you to wake up; the signs that precede the end of times have started; only a few are missing to be fulfilled; that's why you must be attentive to the coming events.

I am the Mother of the Second Coming. Mother who leads her Victorious Army because the crude spiritual battle will cease soon; the adversary and his followers will be destroyed; sent to Hell. At last my Immaculate Heart will triumph.

I am the Mother of the Second Coming. Mother who announces to you the glorious cross that will appear in the skies. Cross which will emanate sparks of light from the wounds of Jesus

Christ to illuminate the entire world. Cross that will alert the entire humanity of the Second Coming of Jesus. No one knows the day and the hour, not even my Son Jesus, but by the signs of Heaven, his coming is soon.

I am the Mother of the Second Coming. Mother who perfumes your heart with the fragrant lily; lily which will raze with the stench and rottenness of the world; world covered by dense layers of darkness; world which will be purified by a rain of fire; rain of fire which will make evilness and sin stop; rain of fire which will transform the earth into an Eden, in a beautiful garden.

I am the Mother of the Second Coming. Mother who will bring together the elected because soon the world will be liberated from the slavery of Satan and of sin through the terrible punishment; the purification, and of the great tribulation. Divine manifestations that will eliminate the sinful city to open the way to the Holy city, the New Jerusalem.

I am the Mother of the Second Coming. Mother who wants to cover all her children under the folds of her Heavenly Mantle. Mother who for the longest time has been speaking to you about the same thing, but my words fall into a vacuum; my messages crash with hearts as hard as flint; hearts that, still, have not opened themselves to the grace; hearts blunt by arrogance, pride, ballast of the world; opaque hearts, somber because there is much sin inside.

My Children: As the Mother of the Second Coming, I warn you that soon that sky will darken; the earth will tumble, a third of humanity will be saved.

Virtue of Self-Control

Self-control tempers your character.

Self-control gives finesse to your emotions.

Self-control gives you strength in your feelings.

Self-control prevents you from falling; prevents you from sins; prevents you from many temptations.

Self-control is a sign of the presence of God in you.

Do not despair in the face of the problems of your life.

Do not despair before suffering.

Do not despair before the confusion of spirit.

Do not despair before the illnesses.

Do not despair before the insults.

Take control of yourselves and know how to wait because very soon you will receive the reward from Heaven.

Self-control gives you wisdom to handle different situations; situations that present themselves at any moment or in any place.

My Children: the souls who lack self-control are obfuscated souls; they are angry souls; they are souls who let themselves be controlled by themselves and usually commit foolish, clumsy things; they usually hurt the hurt of men.

The souls who lack self-control are foolish souls; clumsy souls in their way of behaving; in their way of thinking, and in their way of living life.

Beloved Children: work with entirety for the attainment of this most beautiful virtue.

Self-control carves you as the artisan carves, polishes his work of art until he makes it perfect.

Self-control gives you perfection; gives you likeness to the Sacred Heart of my Son Jesus. He controlled himself in the temptations of the desert. He controlled himself before all those who insulted Him, in front of all those who attacked him; in front of all those that wanted to devour Him. He knew how to control the peace in his heart. He knew how to control the joy. He knew how to control the quietness of spirit and, that's why, he acted with such wisdom, with such rectitude, and with such prudence.

What would have been of me, my little children, if in the moment of the elder Simeon, I would have acted deliberately? I would have spoiled God's plan. Isn't it so, little ones?

That's why I call you to self-control so you will avoid conflicts among yourselves.

I call you to self-control so you will be like little ants that work with entirety, that work with ardor, and each one knows which is the work they have to do.

Self-control aromatizes your heart of the lily of the most pure celestial perfume.

Day 27. Spread My Messages.

January 25, 2010 (2:15 p.m.)

My Children: do not remain silent before my words; spread my messages; make this consecration known because the people are perishing for lack of knowledge; the people walk dizzily to the cliff because very few shepherds preach apocalyptic subjects and those that dare are persecuted like the prophets; they are slandered, relegated because their mentality and thoughts are not identified with modern trends; their ideas collide with the theology of liberation.

It's not the time to store the precious pearls from Heaven. It is the moment to share them with the simple, the humble, those who have a heart of a child. Leave all fears, so you won't sin by being mute dogs and have to render accounts to God, because to whom much is given, much

will be required.

You, my children, are the sleeplessness of my love; you are part of the beloved flock of the Lord; you are the small rest faithful to the Sound Doctrine and the Teachings of the Church; you are the small courageous soldiers who will battle against the adversary, sure of obtaining the triumph, the victory over all evil; you belong to my army.

Army in which you will receive a serious preparation so you will know how to confront the battle against the red dragon and the black beast.

Army in which you will receive special protection from Saint Michael Archangel.

Army in which you will make yourselves skilled to face the enemy without suffering any harm, any injury.

Army in which hidden secrets and treasures will be revealed to you because the hour has come to be discovered.

Army in which you will be seal in the forehead and in the hand. The forehead makes reference to intelligence and human reasoning; the hand refers to the activity of man in his work, in his daily routine.

My Dearest Children: very soon you will see yourselves doomed and pushed so you receive the blasphemous mark; the mark of the beast. Never allow to be marked with the seal of the antichrist, because those who let themselves be sealed in the forehead will follow the steps of strange and flamboyant philosophies; will walk after anti-Christian ideologies, after modern thoughts who lead to the spiritual relaxation and moral degradation; you will deny God; you will reject his Divine Mandates; you will sink in the mud of passions, of the lustfulness; you will be sympathizers of atheism, of hedonism; you will spread, even more, the error. Those who let themselves be marked in the hand will throw away God's blessings; they will only worry in the acquisition of material goods; goods which will lead them to be greedy; to avarice in an immeasurable way; they will money their god; god which will push them to injustice, to the satisfaction of the senses, of their body; will submerge them in the morbid waters of impurity, of egotism, loss of human sensibility until it makes man a machine that produces profitability, that increases the earnings, the worldly possessions leading them to lack of love, to selfishness.

Beloved Children: If Satan brands his, I, as your Mother and Captain of the Victorious Army mark mine; I seal them with the Holy Cross in the forehead and in the hand; most holy sign that marks you as my property, as the elected by the Lord to battle and counteract the forces of evil. I seal you in the forehead so you will love and live the Word. Word that you will take in your lips and written in your heart. Word that will make you to incarnate the Gospel and act in the same

way as Jesus when He was on earth.

I seal you in the forehead so you will only think in the Lord, so you will imitate Him his virtues, so He will be a constant in your lives.

I seal you in the forehead so you will be docile to the action of the Holy Spirit, so you will let yourselves be led by the ways that lead to Heaven.

I seal you in the forehead so you will direct your steps in the Divine Will, so everything that you do will be to give glory and honor to his Holy Name.

I seal you in the hand so you will cooperate in the plan of salvation, so you will have available the things for your own good and the good of your brothers.

I seal you in the hand so you will so your actions leads you to sanctification, to give example with your testimony of life.

I seal you in the hand so you will so you will take the powerful weapon of the Holy Rosary; weapon which will weaken and chain Satan in this end of times; times of tribulation and of justice; times close to the triumph of my Immaculate Heart and the kingdom of the Sacred Heart.

Virtue of Patience

My Children: Patience is a virtue that gives you excellence in your spiritual life. It adorns you with chrysanthemums; it adorns you with the most beautiful begonias; it adorns you with the most precious garlands.

Patience gives beauty to your heart because this virtue makes you to accept the crosses that the Lord will deign to send you in life.

Patience will make you

Christ like here in earth.

Be patient as my Son Jesus was. He endured all suffering with love because he knew that suffering offered to his Father would give you a place of high importance in Heaven. That's why, my children, be patient in the suffering. Do not despair. Do not be impatient. Endure everything with love and offer it to the Lord so you will be bound with a crown of martyrdom, since the martyrs in Heaven occupy a special dwelling in the Celestial Kingdom.

Patience purifies you from all infestation.

Patience emblazons your heart in such a way that you can endure taunts, insults, defeats, the love crisis.

Be patient in the test.

Be patient in the persecution.

Be patient in sickness.

Be patient in your moments of being in the cross.

Be patient with your brothers. Accept them just as they are. Each one is a different world; is a different world and don't pretend to change them overnight. Give them to the Lord and He will transform them.

The impatient souls commit an infinity of errors; errors that carry a lament in life.

The impatient souls are smothered before the slightest disappointment.

The impatient souls want everything in the least time.

The impatient souls commit blunders.

That's why, my children, work the virtue of patience; endure, bear, suffer in silence, and with love.

III. Chaplet of Protection (Page 8)

Day 28. My Immaculate Heart Suffers.

January 26, 2010 (6:00 a.m.)

My Children: My Immaculate Heart suffers because God's mandates are changed by laws that attempt against the moral and ethics; laws which promote sin; laws which justify some abnormal conducts which are contrary to the precepts of the Lord taught in the Gospel.

My Immaculate Heart suffers because some of my favorite children keep silence in front of sin and error; favorite children who should speak defending the truth and the sound doctrine.

My Immaculate Heart suffers because men have substituted the true God by false gods; permissive gods who will drag them to condemnation and eternal suffering.

My Immaculate Heart suffers because today a great amount of children are killed in their mother's wombs; legalized abortion, Satan's astuteness, leads many souls to hell. The blood of these innocents clamors vengeance from Heaven. Why are you so indolent, so frivolous, so calculating? Very soon you will have to pass through a wave of suffering because the birth pains have already started; the world must return to the first order for which it was created.

My Immaculate Heart suffers because I see a multitude of my poor children that run towards perdition and sin. So many souls fall into Hell, like leaves that fall from the trees in autumn!

My Immaculate Heart suffers because very few souls respond to my calling; my messages are not read; are not heard.

My Immaculate Heart suffers because many men are driven by false philosophies; they are snatched from the truth of the Gospel; they are snatched from the only Church founded by

Jesus Christ.

My Immaculate Heart suffers because each time more the Church is wounded, beaten, and betrayed.

My Immaculate Heart suffers because ecclesiastical masonry acts in astute and diabolical ways to lead all to the apostasy.

My Immaculate Heart suffers because they are pretending to found a universal ecumenical church, formed by the fusion of all the Christian denominations, including our Catholic Church.

My Immaculate Heart suffers because sin is justified; is presented like something of value or good.

My Immaculate Heart suffers because the reality of the miracles is denied; the Divinity of Jesus and of his saving mission is doubted.

My Immaculate Heart suffers because masonry wishes to manufacture a new idol, meaning, a false Christ, a false church.

My Immaculate Heart suffers because the black beast wants to take with him a great number of souls to perdition.

My Immaculate Heart suffers because the apostasy will be generalized; many of my children will follow the false Christ and the false church.

My Immaculate Heart suffers because very soon the door will be opened for the entrance of the impious man; the man who will lead many to perdition.

My Immaculate Heart suffers because my Son Jesus is abandoned, forgotten, and many times desecrated in his real presence in the Sacred Eucharist.

My Immaculate Heart suffers because some shepherds sleep in tepidity and indifference; some are acting like Judas, because they only think in money, in material possessions.

My Immaculate Heart suffers because the Word of God is tinted with darkness by the rationalists and ambiguous interpretations which degrade the Sacred, the Divine.

My Immaculate Heart suffers because Satan, with all types of temptations, is leading you towards malice, impurity and, therefore, to sin.

My Immaculate Heart suffers because the apparitions that I still realize are ignored and rejected.

My Immaculate Heart suffers because very few let themselves be formed, educated, and instructed by Me. I am Mary, Teacher of the Apostles of the Last Times, because I want to show you the way of the cross; a narrow and stony way, but a sure way to enter Heaven.

I am Mary, Teacher of the Apostles of the Last Times, who is alerting you of the dangers that lurk you because Satan and his followers have come out of the depths of Hell to seduce and

tempt you; to make you fall in sin; sin that distances you from God; sin that deforms your soul, sin which leads you to condemnation.

I am Mary, Teacher of the Apostles of the Last Times, who is calling you to consecrate yourselves to my Immaculate Heart; I want to protect all of you because you are my beloved children. In my Army you will not suffer defeat; you will not suffer any needs because you will have everything with me.

I am Mary, Teacher of the Apostles of the Last Times, who clears and prepares the way for you because very soon Jesus will come to establish his Kingdom on earth.

Virtue of Suffering

Come closer to the great science of the cross. In it, you will find the ways so you are strong in the tests; tests that, accepted with love, will be purifying you as angels.

In the cross is the mystery of Jesus Christ; mystery which is defeat to Satan's empire and triumph for Heaven.

All the souls carry the cross on their shoulders.

Heavy or light crosses, according to the capacity of the soul to cope with them.

If you knew the great riches that this mystery of love holds, you would carry the cross of each day with extreme love; you would desire it more than the dry earth. You would desire more than a baby his mother. You would desire it more than the bird, his liberty to take flight.

Because in the cross is where you show if you truly love Christ Crucified with your heart.

In the cross you will be refined and purified.

In the cross you diminish a little bit the suffering of my Son.

In the cross you become similar to Him, who endured taunts and abuse.

In the cross you massacre your carnal instinct.

In the cross will die your earthly being.

In the cross every particle of the world will be shattered.

In the cross the opaque of your heart will turn splendid.

In the cross you will long for Heaven. Heaven that waits for you to give you your reward for having made of your life an oblation and redemption.

The Adorable Heart of Jesus is wounded when the soul flees from to the cross or when it denies the suffering.

It's better, my little ones, to suffer on earth and receive the reward in Heaven, than to enjoy the world and later lament yourselves for all eternity.

For love of the cross, I let go of Jesus, being the greatest treasure of my Immaculate Heart.

God gave Him to me, to Him I had to return it.

For love of the cross, I kept in my Heart the prophecy of elder Simeon. I did not walk in the opposite direction to God's Will; I waited in the peace for that moment to come.

For the love of the cross, I kept silence when Jesus was attacked by the Jews and High Priests.

For love of the cross, I fled to Egypt; I had to defend the defenseless Son of God.

For love of the cross, I accepted to be the Mother of the Savior.

For love of the cross, I endured the Co-Redeeming suffering of his Sacred Passion.

For love of the cross, I remained by his side until the last breath.

For love of the cross, I held Him in my arms and wiped his wounds with my tears.

For love of the cross, I waited patiently for his Glorious Resurrection.

For love of the cross, I knew that one day I would be taken in body and soul into Heaven.

For love of the cross, I helped and was mortified to remain in complete obedience to the Divine Fiat. Fiat that cost me tears and terrible suffering to my fragile Heart, but the great mercy of God kept me strengthen and cheerful to walk through the street of bitterness; street which is the narrow and stony way which leads us to Heaven.

Day 29. You Are in The Final Hour.

January 26, 2010 (10:30 a.m.)

My Dearest Children: Mary, Teacher of the Apostles of the Last Times, calls you to join my Victorious Army. I am the Captain; put yourselves, then, under my orders as private soldiers; I will arm you with sufficient ammunition from Heaven in such way that you will go out to battle without fear; because I will be always at the forefront ready to protect you. Saint Michael Archangel will walk with you, ready to lift his sword against the adversary and his followers; you are in the final hour, because many legions of demons have been released from hell to tempt; to make many souls fall into mortal sin.

You are in the final hour because, secretly, a plan is being prepared which pretends to take the Church to the must abrupt desolation; it wants to finish it because it is the true Church founded by Jesus Christ.

You are in the final hour; that's why, the Holy Spirit will descend to establish the Glorious Reign of Christ. Kingdom of love, of justice, and of peace.

You are in the final hour because the Holy Spirit will come to you through the triumph of my

Immaculate Heart and the Kingdom of the Sacred Heart of Jesus.

You are in the final hour because you are living times of confusion and disturbance of spirit.

You are in the final hour because Satan with his astuteness has been able to spread error under supposedly modern interpretations; leading many of my children to sin because everything is lead to a false psychology of the human conduct; in which everything is permitted, since evil does not exist; what before was since now is taken as a normal behavior pattern.

You are in the final hour because you can see the desertion of vocations in the convents and religious houses, because Satan has entered inside of them sowing chaos, confusion; leading them to loss the charisma for which they were founded.

You are in the final hour because when the Holy Father, the Pope, talks the truths of faith energetically; he is criticized, publicly despised.

You are in the final hour; that's why so many of my children walk from one side to the other for the pure joy of hearing novelties, when the true novelty is in the Tabernacle, in the Holy Scriptures, and in the Teachings of the Church.

You are in the final hour and that's why I call you to walk by the paths of sanctity, of prayer, and of reparation because you are in the threshold of all the prophesized events.

You are in the final hour; that's why the Eternal Father has allowed me to descend to you to console you, since you are entering in the time of agony and abandonment; soon humanity will taste the chalice of bitterness.

You are in the final hour; that's why I remind you again the same messages that for many years past, I have been speaking to the entire world; messages which should look alike because it is I who transmits them.

You are in the final hour; that's why very soon the time of tribulation prophesized in the Holy Scriptures will end; time that will precede the Second Coming of Jesus.

You are in the final hour, that's why the time has been shortened for you because many souls are about to be lost.

You are in the final hour; open the doors of your hearts to Me; let me act in you; I will snatch you from Satan's paws; I will take you with me, and I will keep you in the small faithful rest of my Church so you won't be confused, or deceived.

You are in the final hour; that's why I ask all of you to consecrate yourselves to my Immaculate Heart. Consecration in which Mary, Teacher of the Apostles of the Last Times, forms you, prepares you for the Second Coming of Jesus. Consecration dictated directly by Me, because the time has come for you to wake up from your long sleep; the time has come for you of taking

very seriously my words, my warnings of this end of times. Consecration in which I collect my messages given in many parts of the world; but, even so, men do not turn their eyes and their heart to God. Consecration in where I remind you all the events that have been announced by the prophets through time. Consecration in which you will receive the seal of the Holy Cross in the forehead and in the hand. Consecration which I call you to spread without fear, without misgivings, because if you don't talk, the stones will scream.

Consecration that will be one of the last maternal callings to humanity, because if people do not convert, they will perish.

Consecration which will move many of my children to repentance, to a change in their lives.

Consecration that will have many enemies because the adversary doesn't want that the world is warned of all the events that will befall on the earth.

Virtue of Holiness

I call you to be holy.

I call you that your works be as clear as light in full day.

I call you to speak only of the greatness and of the magnificence of the Lord.

I call you to close your lips to all criticism.

I call you to close your lips to all rude words; to all words of double meaning.

I call you to praise the Holy Name of the Lord with your life of rectitude.

I call you to be true signs of praise; true signs of adoration and of glory, by living holily.

The life of holiness is developed according to the Gospel, according to the doctrinal principles of the Holy Scriptures. Don't go looking for the extraordinary; from the ordinary you can become holy. Don't go looking for novelties; from the simple you can climb high summits of salvation for your soul. Imitate the Holiness of the saints; also imitate Me, children, and live it day-by-day. Meditate in my words and put them into practice. Meditate in my words and take them into reality, meaning, not keeping them, not forgetting them; it is to make them life in your lives.

I love you and bless you: + Amen.

III. Chaplet of Protection (Page 8)

Day 30. Consecrate Yourself to My Immaculate Heart.

January 27, 2010 (6:50 a.m.)

My Children: Don't be afraid of my words. These same messages have been transmitted to the privileged souls in several parts of the world. In this consecration the only thing that I do is to

remind you again, because some of you are extremely forgetful and some have kept my lessons of love in the drawers rusted and dusted from your hearts.

I am not speaking about anything new. I only instruct you, educate you, because I am Mary, Teacher of the Apostles of the Last Times, and the mission of a teacher is to form her disciples; lead them by paths of goodness, take them out of their ignorance, and give them all the necessary wisdom so in the future they build projects of life: solid, firm.

My Dearest Children: the consecration to my Immaculate Heart and the transforming conversion are means which will favor you in this time of tribulation and of justice because “see that the day of the Lord is coming, horrible day and full of indignation, and of anger, and of fury, to convert the earth into a desert, and erase all sinners from it. Because the most brightest stars of Heaven will not shine with their usual light: the sun will darken at dawn and the moon will not shine with its light. And I will (Isaiah 13:9-11)

Make the decision today to give death to the old man; man who walks after the works of darkness, but not of light; man that finds fleeting pleasures in the world; man attached to money; man sinful, carnal; man who adores false gods; man who transgress the Divine Mandates; man who dives in the mud of sins; man who has not known Jesus Christ because he does not live the Word, acts contrarily to the Gospel; it is time now that you turn your heart to the Lord. Don't delay your conversion anymore; Satan makes you put it off because he knows the little time that there is left. The glorious return of Jesus is very close. Don't let it happen to you as the silly virgins that fell asleep and the husband arrived at midnight and surprised them with their lamps of and without extra provision of oil; they went out to the store to buy some and didn't make it to the weddings; they closed the doors to them. “Watch therefore, for you know neither the day nor the hour.” (Matthew 25:13) Then the King will say to those at his right hand, ‘Come, O blessed of my Father, inherit the kingdom prepared for you from the foundation of the world’.(Matthew 25:34). “Then he will say to those at his left hand, ‘Depart from me, you cursed, into the eternal fire prepared for the devil and his angels” (Matthew 25:41).

My Dearest Children: Leave your sin now; etch with golden letters in your heart, this, my lesson of love. Meditate what the Sacred Scriptures says;

Holy book with which I form you as Apostles of the Last Times.

Holy book that must be your life's manual.

Holy book with which you must meditate and discern under the light of the Holy Spirit.

Holy book that you must carry written in your lips and in your heart because you will find salvation in it; in it you will know which is the way that leads you to Heaven.

Once you have started your transforming process, enroll in the Victorious Army of the Triumphant Hearts and consecrate to my Immaculate Heart because I want to take you out of the profane so that you will make of your life a cult of adoration to the Lord, hymn, and offering of glory to his Holy Name.

Consecrate to my Immaculate Heart and give yourselves entirely to me, that I will cover you under the folds of my Sacred Mantle. I will defend you from the adversary because you are my private soldiers; I will snatch you with the sign of Christ as God's elected.

Consecrate to my Immaculate Heart so I may dispose of you freely and direct your lives according to my designs.

Consecrate to my Immaculate Heart that I will be your refuge; refuge in which you will watch the prophesized events, soon to be fully realized;

refuge in which you will not feel fear because of my Marian warnings in this end of times;

refuge in which I will warm you with the flame of my Holy Love because there will be a week of terrible ice on earth.

Refuge where you will pass unperceived when the impious man makes his apparition in the entire world.

Refuge which will maintain you hidden in front of Satan's treacherous attacks.

Virtue of Prayer

If you don't pray, you will perish.

If you don't pray, you will wilt like when a rose or a flower lacks, it air lacks water.

If you don't pray, you will die like the sunflower that lacks the sun, or like the fish that lacks the water. Pray without ever getting tired.

Prayer leads you to a heart-to-heart encounter with the Holy and Divine Love.

Prayer leads you to empty your heart of your worries.

Prayer leads you to get full with the Graces from Heaven.

Prayer is the backbone that sustains your spiritual body.

Prayer must turn in to your lung, in your heart.

Prayer is the only medium with which you can start cutting ties; you can start recovering liberty; you can start dying your old man, since prayer makes new men of you, radiant men, men impregnated with the exquisite fragrance of the Heavens.

Prayer makes you radiant; revitalizes you; gives you harmony; gives you joy, and gives you peace. Start, then, the great way of prayer.

Prayer that turn into the most beautiful hymns, in the most beautiful celestial songs.

Prayer that will echo in all of Heaven.

Prayer that will go up like incense before the presence of the Eternal Father. I urge you; I call you to live for God so prayer will nourish you daily.

Pray with your heart, many times closing your lips. Be contemplative souls. Be souls anxious and longing of Heaven. Be angels on earth, praying in each moment, in each place, and in every specific situation of your lives.

Pray also with the Word of God; meditate the Gospel of the day, live it; incarnate it.

I bless you flowering buds of my garden of my Immaculate Heart: +. Amen.

III. Chaplet of Protection (Page 8)

Day 31. Take This Preparation Very Seriously.

January 27, 2010 (11:20 a.m.)

Beloved Children: open your hearts to each one of my lessons of Holy Love. Meditate in them each day, and take this preparation very seriously for the consecration to my Immaculate Heart.

Preparation that demands that you be in a state of Grace.

Preparation which will make you courageous soldiers of my Victorious Army.

Preparation which will show you events of great magnitude that are about to happen in the entire world.

Preparation that advances the triumph of my Immaculate Heart and, therefore, the Kingdom of the Sacred Heart of my Son Jesus.

Preparation that warns humanity for the Second Coming of Jesus, which is very close.

Preparation which will put you under my orders because I am the Captain of this great army.

Army which will make you apostles of light because you are in the hour of darkness. The world is wrapped in a mantle of darkness;

apostles of light who will give testimony with their life of holiness; life lived according to the guidelines of the Gospel.

Apostles of light that will shine like the splendor of a star because in their souls there is neatness; they act without pretending; in their works there is clarity, coherence.

Apostles of light that will face the adversary, obeying the commandments of the law of God and of the Holy Mother Church.

Apostles of light that will spread the Word by preaching on time and out of time.

Apostles of light faithful to the Sound Doctrine and the tradition.

Apostles of light that let themselves be guided by the inspirations of the Holy Spirit.

Apostles of light who will be in the world, but without being of the world.

Apostles of light who will absolutely reject the error, strange and exciting philosophies.

Apostles of light who will walk through the street of bitterness willing to offer consolation to the agonizing Heart of Jesus.

Apostles of light who will illuminate in the time in which the Church passes through the horrible crisis.

Apostles of light who will not feel alone; will perceive my presence, my maternal protection.

Apostles of light that will spread the Gospel; defend the truth; love the Church.

Apostles of light that will travel through the paths walked by your Heavenly Mother; walk which will lead you to Heaven.

Apostles of light who with their prayer repair the Eucharistic Heart of Jesus because he is wounded by his in his own house.

Apostles of light that will shine by their apostolic life because the zeal for the Home devours them.

Apostles of light who will accept the sufferings and will adhere to Christ's cross.

Apostles of light that will allow to be formed and instructed by me, like the faithful rest of the Church.

Apostles of light who will know to open the doors of their heart so Jesus reigns inside of them.

Apostles of light who will now how to reach the Calvary of the Martyr of the Golgotha willing to die for Jesus and for the true Church.

Apostles of light who will help the persecuted to walk through the path of trust and of security.

Apostles of light who will respond to my callings; will let my messages be known without fear.

Apostles of light who will make of their lives: in Mary, with Mary, for Mary, and for Mary.

Apostles of light that will comprehend that through my maternal intercession you reach Jesus.

Apostles of light that will expand the Apostolate of Reparation because very soon, they will see new Heavens and new earth.

Apostles of light who will feel joyous in the persecution because the Kingdom of Heaven will be theirs.

My Dearest Children: consecrate yourselves completely to me, who am Mother of Hope and of Consolation, because hard days are about to come; the strong day of the tribulation is knocking at your doors; the beast, similar to a black panther, will lead the Church to a painful agony; the birth pains have started; battle with me the dark forces of evil. Soon I will crush with my heel the

head of the snake.

Battle with me the dark forces of evil by spreading this consecration. I need to open the eyes to many of my children that, still, are sleepy; Satan has made them drowsy, has submerged them in a spiritual lethargy.

Battle with me the dark forces of evil, by venerating me as Mary, Teacher of the Apostles of the Last Times. Teacher who is forming you and preparing you as warriors of God in my Victorious Army.

Battle with me the dark forces of evil by praying the Holy Rosary, lethal weapon that will chain Satan in this end of times.

Battle with me the dark forces of evil by repairing for your sins and the sins of the entire humanity.

Battle with me the dark forces of evil as private soldiers of my Victorious Army because sin has wrapped the world; evil has spread through all parts like a terrible epidemic; epidemic that is leading many men to their spiritual life.

Virtue of Silence

You must exercise in the virtue of silence, exterior and interior silence. Learn to control your words. Learn to interiorize, to meditate; don't sin because of excess in your speaking. If you want to acquire wisdom, you must learn to silence your three potencies: your body, soul, and spirit; you will find the peace of your soul in the silence. Silence that will elevate your spirit to Heaven and join you into an idyllic Divine Love. Silence which will make you more intelligent, more receptive to the voice of the Divine Master. Silence which will take you to sobriety, quietness, to harmony, to emotional balance. The great wise men, the great saints knew how to place a gag in their lips; knew how to open their hearts and understanding to the Divine Wisdom.

The virtue of silence will make you more accepted and pleasing before the presence of men.

The virtue of silence will make your souls more prudent, delicate, moderate in your speech.

The virtue of silence will enter you into the paths of contemplation, in the rupture with the things of the world.

The virtue of silence will lead you to the acquisition of the virtue of prudence; both give you spiritual growth, give an end to the insolence of your words.

My Children: in the silence you will listen to the voice of God.

In the silence, you will find more easily with the Lord. His Divine Words will fall in the depths of

your heart like whispers of soft breeze.

In the silence, you will find yourselves; discover your weaknesses, your flaws; you will have the opportunity to consider yourselves subpar because, still, you are unfinished works of art.

In the silence, you will rejoice; will swim in an infinite peace.

In the silence, your heart will widen with God's Love; you will perceive my maternal presence; my Mother's warmth.

My Little Children: avoid wordiness; speak with subtlety, and silence your potencies in such a way that you will learn to have a face-to-face encounter with God.

Day 32. Ask for The Light of The Holy Spirit

January 27, 2010 (6:50 p.m.)

My Dearest Children: come and form part of my Victorious Army. You are in the threshold of the New Jerusalem. You will be going through the time of tribulation and of justice, so many times prophesied. You have very little time left for all the events predicted by me in many of the apparitions to be fulfilled.

Ask for the light of the Holy Spirit; clamor for the gift of discernment so you can understand that the signs and the warnings from Heaven signal the Second Coming of my Son Jesus, which is very soon. Don't be irrational and stubborn; don't go against God's designs; don't interpret the Book of Revelation wrongly; anathema is that one who will contradict the Word; heretics are those who dare to say that what is written not all will be fulfilled; do not accommodate any longer the biblical prophecies to your whim; don't distort its meaning by leaving the truth.

Come and form part of my Victorious Army. A spiritual battle is starting between the powers of Heaven and the principalities of Hell. Fight along my side, we will overcome the red dragon and the black beast; Satan and his demons will be thrown to the eternal fire.

Come and form part of my Victorious Army. I will seal you with the sign of the cross; the adversary won't be able to take you out of the ways of the Lord. Saint Michael Archangel is your defense. I who am your Mother will lull you between my arms like little children, as newborns who need to be fed with spiritual milk; come and form part of my Victorious Army. I will make you brave soldiers; earn a dwelling in Heaven by battling against the hosts of evil.

Come and form part of my Victorious Army. Satan's empire soon will be destroyed; I will tie him with the string of the Holy Rosary so he will never harm you again; soon Jesus Christ will come to establish his kingdom on earth.

Come and form part of my Victorious Army. Weaken Satan's forces with prayer, fasting, and penitence; powerful weapons with which he will be destroyed.

Come and form part of my Victorious Army. I will hide you in the refuge of my Immaculate Heart because many tests await for you; the purification will reach its climax; the entire earth will be renovated. Balls of fire will descend from Heaven, only a third part of humanity will survive.

Come and form part of my Victorious Army. You have very little time left for the doors of the New Jerusalem to be opened wide.

Convert from your heart and turn your eyes to the Lord. He will forgive you. He has condoned your debt with his death on the cross.

Come and form part of my Victorious Army. You are in time of darkness. Soon the son of perdition will appear; his tricks are such that he will deceive some of my elected.

Come and form part of my Victorious Army. The Church is entering into a period of consternation; soon Saint Peter's chair will be vacant; the usurper will come and take the position that does not belong to him.

Come and form part of my Victorious Army. Don't give Satan any more truce; embrace the wood of the cross and start the way of mortification and of penitence.

Soon my Immaculate Heart will triumph.

Come and form part of my Victorious Army. Attend to the anguished callings of your Heavenly Mother; the devil is walking like a roaring lion wanting to devour you.

Come and form part of my Victorious Army. I am Mary, Teacher of the Apostles of the Last Times who will educate you with her lessons of love; will give you all the necessary wisdom in this time of tribulation; will awaken you from your lethargic sleep, opening your eyes to a reality; reality in which the events speak for themselves; reality which makes you feel the glorious triumph of Jesus Christ close to you.

Come and form part of my Victorious Army. Now there is no more time to decide. The cup of bitterness will be poured over all the earth; the entire humanity will face great tests; will pass through the fire of suffering; the Church will reach its maximum splendor because the works of darkness will be dissolved; the rays of the Lord will shine in the New World.

Come and form part of my Victorious Army. Consecrate to my Immaculate Heart. I will be your Mother and will treat you as very loved children; the doors of Heaven are open; do the Divine Will in everything; obey God's mandates and you will enter to take possession of one of his dwellings; hell is full of condemned souls; be fearful of the eternal suffering; accept the Divine goodness and mercy; allow yourselves to be rescued by me. I will hide you in my Virginal Heart.

Virtue of Righteousness

My Children: open your ears to my voice; feel again my Maternal presence among yourselves. A good Mother educates her children in virtue. A good Mother forms them, instructs them, teaches them the paths to righteousness. Don't let yourselves be detoured to the right or to the left. Direct your steps through the narrow, stony way; sure way of encountering the Lord. Way which leads you to the Kingdom of Heaven. Your actions have to go in coherence with the teachings of Jesus. Nothing obscure must be in your soul. Soul which must remain as neat as a mirror without stain. Accept always the teachings of Jesus in his Gospel; don't allow yourselves to be tempted by the adversary, because if you cede to his pretensions, you will shipwrecked in unhappiness and in eternal suffering.

The virtue of righteousness makes you holy; makes you deserving of the promised reward.

The virtue of righteousness abstracts you from the fallacies of the world.

The virtue of righteousness makes you like angels, on earth; angels of pure heart, angels of clear, crystalline hearts.

The virtue of righteousness snatches you from the adversary; makes you pleasing before the presence of God.

The virtue of righteousness embellishes your heart; perfumes it with the purest lily; makes it radiant like a star.

The virtue of righteousness will give you a reward of glory; you will enjoy the beatific vision of God in the highest.

The virtue of righteousness leads you to fulfilling exactly and perfectly the commandments; infuses in you the zeal for salvation of your soul.

The virtue of righteousness makes you similar to Jesus: clear in his thoughts and coherent in his behavior.

Day 33. Receive This Consecration; Spread It Without Fears.

My Dearest Children: Mary, Teacher of the Apostles of the Last Times has taken you to go through a path of preparation for the consecration to my Immaculate Heart; a path of 33 days in which you have widen your heart to receive my graces.

Path of 33 days in which you have discovered secrets which are only revealed to the simple, to the humble.

Path of 33 days in which I have reminded you the prophecies which are about to be fulfilled.

Path of 33 days in which you have felt the cover of my look.

Path of 33 days in which you have perceived my presence.

Path of 33 days in which you have received my lessons of love because the people perish for lack of knowledge.

Mary, Teacher of the Apostles of the Last Times has sensitized you leading you to a transforming conversion, to turn your eyes and heart to the Lord.

Mary, Teacher of the Apostles of the Last Times has awakened you from your spiritual lethargy; the moment has come to react; the hour has come for you to take my words very seriously because the proximity of the events is to lead you to enroll in my Victorious Army of the Triumphant Hearts. Army which will set before the triumph of the Sacred Hearts; triumph that will open the doors of the New Jerusalem. Triumph which will take Satan and legions of demons to the depths of Hell. Triumph which will take one third of humanity to enjoy the new heavens and new earth.

Mary, Teacher of the Apostles of the Last Times calls you to be part of the Apostolate of Reparation.

Reparation so necessary in this final and decisive time in history.

Reparation which will diminish my suffering.

Reparation which will dissipate the darkness that covers the world.

Reparation which prepares you for the kingdom of Jesus Christ on earth.

Mary, Teacher of the Apostles of the Last Times has a great mission, to pave the way for the Second Coming of Jesus. Coming that will bring: love, peace, and hope to the new world. Coming that will destroy the power of darkness, so the Lord can reign with all His power, majesty, and glory.

Mary, Teacher of the Apostles of the Last Times prepares you for the great battle. Saint Michael Archangel is getting ready to defeat the adversary, brave warrior of the Most High who will lift his sword to defend the woman clothed with the sun; brave warrior from the Most High who will protect you because you are private soldiers of my Victorious Army.

My Children: By crushing with my heel the head of the snake, I will be the Victorious Queen of the world.

Queen who will open for you the doors of Heaven.

Queen who will make you enjoy the delights of the Lord.

Queen who will hand to you the golden scepter of victory because you did not let yourselves be

unnerved, trusted always in the infinite mercy of God Father.

Queen who will decorate you because you knew to be faithful to the Sound Doctrine and the Teachings of the Church.

Queen who will seat you close of to her throne because you learned to preserve the seal in your forehead and in your hand; seal which made you my elected, by soldiers.

My Dearest Children: once you have consecrated yourselves to my Immaculate Heart, you belong to me completely; I will work prodigies of love in your lives; I will never leave your side; I will defend you of the tricks and snares of Satan.

Once you have consecrated yourselves to my Immaculate Heart: I will tie you with my chain of love; I will tie you to my Maternal bosom because I love you; you are the reason for which my Son Jesus died in the cross.

Once you have consecrated yourselves to my Immaculate Heart, you will be loving slaves of Jesus and of Mary; you will be at our entire disposition; you will wish always to act according to the Divine Will.

Once you have consecrated yourselves to my Immaculate Heart, I am all yours; I embellish your heart with my graces; I communicate to you my virtues, and I perfume all your being with holiness.

Once you have consecrated yourselves to my Immaculate Heart, you will start the way of perfection; way which will lead you to renounce the things of the world and desire the delights of Heaven.

Once you have consecrated yourselves to my Immaculate Heart, you will receive a supernatural strength that will move you to battle against the adversary; very sure that you will be victorious.

Once you have consecrated yourselves to my Immaculate Heart, I will intercede before my Son Jesus for you; I will unite you to an idyll of Holy and Divine Love because you have been humble in responding to my pleas.

My Children: receive this consecration as a great gift that has come from Heaven for this end of times; don't be afraid, since I will always remain with you; spread it without fears; I only remind you of what has been revealed to you.

I bless you in this day of grace: In the name of the Father and the Son and the Holy Spirit. Amen.

Virtue of Sacrifice

Practice the virtue of sacrifice. Embrace yourselves to the cross of the Martyr of Golgotha. Leave so much comfort; mortify your senses a little bit more. Sacrifice purifies your soul of the

rust of sin.

Sacrifice gives greater light to your spirit. Spirit that has to fly towards to the highest, avid of meeting with God in Heaven.

Sacrifice gives you temperance in the virtue; strength to resist temptation, courage to not fall into sin.

Sacrifice perfumes all your being with holiness; undresses you from all the ballast of the world, of all sins, and dresses you with pure garments.

Sacrifice fits your feet with sandals of penitence; because mortification and penitence intertwine.

Sacrifice makes you prepared and brave soldiers to confront the adversary; makes you moderate in your appetites; leads you to dominate your senses. Now is the moment to practice this great virtue; virtue which will serve you as means so you may repair for your sins; virtue which will open for you the doors of Heaven so you will find yourselves face-to-face with Jesus and, therefore, with Me.

The virtue of sacrifice will crown you with the crown of winners because you knew how to defeat your indomitable man.
