

THE MESSAGE FROM OUR LADY

given to the seer Raffaele Ferrara for all humanity at
Passatempo (An), on Saturday, 7th November 2015

.....

"Dear children! Also today I'm among you to bring you My joy. My children, I'm exhorting you to live God's Word, that many of you don't know and don't live the message that My Son gives you through Me. I wish to accompany you in these times where man is no longer able to immerse himself in a contemplation of the Word that's given to you. It's some time that He's among you, but still you don't know Him and you can't understand Him through your reason. I'm exhorting you, My children, to live and to understand these times of

grace. My children, God's given you a conscience and many of you can't "read" inside themselves; but, if you learnt to "read" inside yourselves, My children, you' d discover the gift of humility. How many of you aren't able to be constant in prayer, not recognizing in this manner the Light that God gives you every day! My children, it's time to wake up, because many of you aren't able to witness this gift of Mine among you. Little children, to do a path to holiness, some long speeches aren't necessary, it's only sufficient to give a caress, a hug, a smile: it's in the little things that you recognize the souls who live in humility. How much confusion there's in recent times and you don't know to recognize any more where the truth be! You must witness My Son's Word and don't make yourselves deceived by all these false loves, by which many of you make themselves fascinated, losing the path that God's marked out for each of you. My children, leave the old things and live today, because today I'm staring at your eyes and I'm seeing your entire bewilderment. As a mother, I'm coming to help you because I wish that no one of you be ruined. Pray" Pray! Pray! Thank you for your desire to know God's love, that you can meet only by leaving your sin. I'm blessing you all."
