

THE MESSAGE FROM OUR LADY

given to all humanity through the visionary

Raffaele Ferrara, at 08,30 p.m, Saturday, 6th August 2016

.....

"My dear little children, today I'm exhorting you to follow the path that God's marked out for each of you. It's time of deciding and I'm coming from Heaven to help you. When you pray, you're like some Angels and your hearts open to the Holy Spirit's Grace. My little children, you can't understand the grace that you're living, but I'm exhorting you to learn about the Project of Love that God has for each of you. It's a long time that I knock on your hearts, to let you live His Love and I'm coming to strengthen your hearts, which are weakened. As a mother, I want to help you and I understand all our sufferings. Give Me your sufferings, and I'll offer them to Jesus. Today each of you has received the grace of praying with Me and of living this gift of My Son Jesus's; for this reason I'm inviting you to live all My Messages that have been donated to you and I'm asking each of you to testify all these graces that God has

given you. My Son, My coming among you is to announce to each of you to be My Apostles. All My next visits won't be like today's ones any more, because My Son's beginning a new way and to you, that have enjoyed these wonders, I'm asking you to pray, pray, pray! so that I can find souls who donate themselves to My Immaculate Heart in order to realize everything I have begun with you. My children, I'm asking the grace of helping Me. Pray for the Church, pray for My intentions, pray for the world! Thanks for your coming."
